

## Federation Backs State Route

### Board Says Best Plan Is Shepherd Canyon 'No. 4'

Support of the state-favored "Route 4" through Moraga Valley for the western leg of the future Shepherd Canyon has been voted by the Diablo Highway Improvement Federation, Chairman Elliot J. Hartman announced this week.

Hartman, a Lafayette resident, told the Civic Affairs Committee of the Orinda Association Monday night, meeting at Orinda School auditorium, that the Highway Federation directors late last week "took a definite stand in favor of the state route."

"We feel that, engineering-wise, that route is the best," he said. He stated it would be the shortest and cheapest.

**CONTINUED OPPOSITION** to the state-favored route by six local improvement associations in the southern Orinda area was expressed before the County Board of Supervisors in Martinez Tuesday morning by Attorney Robert Thaman, representing those groups.

He urged the supervisors to ask the California Highway Commission to conduct a study of the effect of the four proposed routes on "community values."

The board asked Thaman to submit all information he has on the subject to County Clerk Walter T. Paasch's office, from where it will be referred to the County Planning Commission for study.

**LATER, THE** commission will forward the material and any commission recommendation to the supervisors. The board told Thaman that if his data showed any "reasonable controversy" it would ask the Highway Commission to consider "community values"—a type of study, Thaman pointed out, which is provided for by a new state law that became effective July 5.

The local groups represented by Thaman are the Lincoln Estates, Moraga del Rey, Ranchitos de Moraga, Lost Valley, Inland Valley and Moraga Woodlands associations. For the purpose of this request they are banding together under the general name of the Orinda-Moraga Valley Homeowners.

Despite Hartman's report, a motion by Joseph Zablocki that the Civic Affairs Committee support the state route was defeated by a vote of 9-2, with three members abstaining. Zablocki had urged that the Highway Federation rescind its opposition to the state-favored route and its endorsement of the Indian Valley route, voted two months ago.

**HARTMAN TOLD** the Civic Affairs meeting that the Diablo Highway Improvement Federation directors have held several meetings since the June 21 hearing by the State Division of Highways at Miramonte High School, Orinda, and have checked with state and county engineers.

The California Highway Commission has scheduled a public hearing on the freeway routing for October 3, 1:30 p.m., at Miramonte High School auditorium. Hartman said that at the June 21 hearing the federation was unable to take a stand.

**WE NOW FEEL** that approval is based on a four-leaf cloverleaf at Moraga Highway with no access road at Miramonte High School," he stated.

"We also feel that provision should be made for sufficient underpasses.

"A route south of the state-favored route would cause a very serious traffic disruption.

"The federation has gone on record in the past in opposition to portions of freeway routes where they have gone right through old established residential areas. We feel that in this case, the route would not hurt residential areas. We will try to have proper landscaping done. We do not feel the objections to be warranted."

**THE HIGHWAY FEDERATION** chairman declared that his organization considers the Diablo Freeway to be of "major importance to this area."

"We would hate to see the objections of a small group of people interfere with the flow of funds to this area.

"We are aware of the importance of having the Diablo Freeway completed in the shortest possible time—and then to have the Shepherd Canyon Freeway built, later."

Hartman said that the state engineers plan interchanges at Moraga Highway, Jonas Hill Road and near St. Mary's College. Additional underpasses should be constructed on either side of Jonas Hill Road, he added.

### Added Lane Being Installed For Traffic Ease

A third west-bound lane is being added to Mt. Diablo Boulevard between Orinda Crossroads and the Broadway Tunnel.

Work started last week on a \$150,000 job to provide more capacity to the road and ease peak-hour congestion. The project, extending for 1½ miles, is scheduled to be completed in November.

The extra lane will be gained by widening both shoulders of the highway and moving the lane stripes.

State Division of Highways lists the job as an "interim project," to add the extra lane particularly for trucks and slow-moving traffic using up-grades approaching the tunnel.

The route eventually will be developed into an 8-lane freeway with an additional tunnel bore north of the present tunnel.

The Lee J. Immel contracting firm of San Pablo has the widening contract. No cuts or disturbances of existing slopes will be required.

### Girls File \$94,000 Accident Suit

Injuries they received May 27, when the car in which they were riding crashed into a construction area ditch, have prompted two local girls to ask \$94,000 in damages from the third girl in the car, the driver.

Rosemary L. Pimental, 18, of Moraga, and Maureen Malvey 16, Orinda, filed suit for \$47,000 each against Patricia Hall, 17, 86 Estados Drive, Orinda, alleging she drove 80 miles an hour in a construction area on St. Mary's Road, despite their protestations.

After the car slid on loose gravel in the area and plunged into the six-foot ditch, all three girls were rushed to the Kaiser Hospital in Walnut Creek in what was described as "critical condition."

Transferred to the Merritt Hospital, Maureen, of 144 Moraga Highway, Orinda, was found to be suffering from a broken pelvis, broken nose and arm and multiple abrasions.

Rosemary, who remained at the Kaiser hospital, had a fractured pelvis, broken femur, misplaced foot bone and internal injuries, according to hospital authorities.

Patricia, taken to the Kaiser Hospital in Oakland, suffered broken feet, a broken right arm and broken cheek bone, a hospital spokesman revealed.

The complaints were filed in Contra Costa Superior Court by George P. Pimental of Larch Road, Moraga, father of Rosemary, and Maureen's mother, Mrs. Rosalie A. Riley, through Attys. Vernon Patterson and John R. Forde Jr.

### Decision on VA Hospital Site Is Still Pending

"It's about time someone makes a decision," Sam Franks, manager of the Veterans Administration Hospital, told The Sun yesterday, "but so far we haven't heard a word."

Franks, of course, was referring to the long-anticipated final decision on where the new multi-million dollar VA hospital will be located following the drawn-out and stormy search for a site.

"I phoned Washington Monday," Franks said, "but Mr. Higley (H. V. Higley, administrator of veterans' affairs) was out of town."

It is up to Higley to render a decision on where the controversial structure, which is to be built in this county to replace the Oakland hospital, will finally find a home.

With Franks professing that there will be no change in the situation until Higley returns to Washington, Martinez still looms as a top prospect for the site.

A VA spokesman indicated recently that the John Peralta Ranch, which is just off the Arnold Industrial Highway, would be the probable Martinez location of the hospital should that city be selected.

THE SWIM SHOW that culminated the Mt. Diablo Red Cross Chapter's summer swimming instruction program drew enthusiastic participants and spectators to Acalanes High School pool last Saturday. Instructor Carol Creager (kneeling, in front) is shown with some of the top performers. All senior intermediates, they are, left to right, Ann Cunningham, who won a third place; Fred Altman, a second place; Marty Sivesend, a third place; Bill Cunningham, who won a first place, and Marjorie Stanford, who also nabbed a first place. Instructor Dave Olson is not in this picture. — Sun photo by Mattson

### Service Stations Aid Anti-litter

The drive to keep local highways and streets free of litter received a boost Tuesday night when the County Anti-Litter Committee met in Martinez.

Recommendations were made at the session that distribution of litter bags and disposal units be made to service station suppliers.

This is according to Larry Blakesley, chairman of the committee and president of the Lafayette Chamber of Commerce, who presided over the meeting.

Blakesley said that committee members were checking ordinances covering the collection, hauling and disposal of refuse. A part of the anti-litter drive, he stated, would be to prevent spillage of the refuse during collection and hauling.

"The Board of Supervisors are strongly behind the program," he added.

A general meeting of the Associated Chambers of Commerce of the county will be held Tuesday at 8 p.m. at Louie's Club in El Cerrito, the local chamber head revealed.

### Petition Drive For City Vote Gets Speedup

Intensified efforts will be made by the Orinda Association during the next several weeks to obtain about 2000 more signatures on petitions asking the County Board of Supervisors to schedule an election on Orinda incorporation.

This was decided Monday night by the Civic Affairs Committee of the association, meeting at Orinda School auditorium.

Decision was reached after Paul Pollaczek, chairman of the association's incorporation committee, reported that some 2000 signatures have already been obtained.

**NEEDED ARE** the signatures of at least 25 per cent of the landowners in the proposed city, representing at least 25 per cent of the assessed valuation of the land, unimproved.

Pollaczek and Ted Sanford, chairman of the petition drive, stressed that signing the petition merely means that the signer desires the question of incorporation brought to an official vote.

They pointed out that it does not mean that the signer is in favor of incorporation.

**IT WAS AGREED** that the incorporation committee will meet with officers of neighborhood improvement associations in areas where "big gaps" exist in the petition drive.

These gaps were described by Pollaczek, Sanford and Ted May as being mainly due to the absence of many people on vacation.

May acted as petition drive chairman during Sanford's recent vacation.

### District Gets Ready for New Year at H.S.

Registration of pupils new to the Acalanes High School District will be held Monday and Tuesday, 9 a.m. to noon and 1 to 4 p.m., in each of the district's three high schools—Las Lomas High, for students from Walnut Creek; Acalanes High, for students from Lafayette and Orinda 11th and 12th grade students; and Miramonte High, for Orinda ninth and 10th grade students.

School officially opens Wednesday, September 5.

Next Wednesday, new teachers to the district will meet at district offices for a conference with district personnel and a bus tour of the district, followed by a luncheon in the Acalanes cafeteria and individual meetings at each new teacher's respective school.

All district teachers will meet Tuesday morning in the Acalanes cafeteria, with an afternoon general faculty meeting at each school for the separate school faculties.

Las Lomas and Acalanes High Schools will also hold meetings of their faculties next Friday afternoon.

A district workshop for teachers will be held Tuesday morning, September 4, followed by faculty meeting that afternoon at the separate schools.

### H.S. Freshmen To Be Briefed

Recreational activities and orientation programs will be held for freshmen students at each of the Acalanes District high schools next week.

Miramonte, Orinda: Miramonte freshmen will hold their "Frosh Day" program next Friday 9:30 a.m. to 12:30 p.m.

Students will pick students up at the regular stops at 9 a.m. Approximately 200 freshmen are expected to engage in the activity and orientation program planned by Miramonte Dean of Boys William Ross.

Acalanes, Lafayette: Freshman activities and orientation will be held at Acalanes High on Thursday, 2 to 5 p.m.

Students will leave Stanley School, Lafayette, at 1:30 p.m.

In addition to being given their programs, freshmen will meet student officers and enjoy a recreation program directed by Acalanes Counselor Victor Widmer.

Las Lomas, Walnut Creek: Las Lomas freshmen will hold their "Frosh Day" orientation and activity exercises next Friday from 2 to 5 p.m.

Students will pick students up at 1:30 p.m. at both Parmead and the new Walnut Creek School, Walnut Boulevard.

Las Lomas freshmen will be greeted by school officials and student body officers, and will receive their program for classes and lockers.

Instructor Edward Layey is in charge of the Las Lomas "Frosh Day."

### County Tax Rate Hiked 18 Cents

Mr. and Mrs. Contra Costa's tax bill will be 18 cents higher per hundred dollars assessed valuation this year, according to Desmond Teeter, county administrator.

The Contra Costa County Board of Supervisors adopted an approximate \$29 million budget Tuesday after hearings on Monday and Tuesday.

The tax rate will be \$2.21 cents excepting the city of Richmond. Last year the total budget of the county was slightly in excess of \$24 million.

Richmond will have a lower tax bill since it operates its own library system.

Observers foresaw a 26.8 cent increase several weeks ago when the proposed budget was first brought to the attention of the supervisors.

Two unforeseen developments Tuesday chopped the local tax bill down considerably. They were a \$127 thousand allocation from the federal government to needy children of the county, a \$215 thousand cut in the budget and \$400,000 revenue which will be obtained by the county next year from other than tax monies.

Another matter which came into prominence on Tuesday was a \$13 thousand rebate from the Central Contra Costa Sanitary District for rental of lines and miscellaneous other items.

Howard E. McNamer, auditor-controller of Contra Costa said the reduced appropriated reserve of \$225 thousand is the lowest proportionately in years. Teeter said negotiations are in progress with Solano County for construction of a joint boys' camp there. The park commission hopes to purchase Briones Valley land owned by East Bay Municipal Utility District for a park with its fund.

Other budget cuts in Tuesday's review included \$90,000 from aid to cities for public works jobs; \$125,000 from the unappropriated reserve; \$15,000 from an allocation for a boys' camp; \$15,000 from the park commission fund, and \$14,000 for a sheriff's transportation van.

### Pinball Machine Ban Hearing Delayed 2 Weeks

Hearing on the pin-ball machine ban and card room licensing sought by Sheriff Harry A. Brown has been continued by the Contra Costa Board of Supervisors to September 4.

August 7, the board showed little interest in a formal request made by Brown that pinball machines, not just multiple play, be banned in the county.

Tsar Calfee, attorney, and Gerald Gill, resort owner of Marsh Creek, appeared before the supervisors in opposition to the proposed ordinance.

## Sheriff Studies 2 Local Sub-Stations

### Supervisors Oppose Transit District Plans Unanimously

Unanimous opposition to the Two County Rapid Transit District was voiced by the Contra Costa County Board of Supervisors in Martinez Tuesday.

In a six point resolution passed by the board the supervisors pointed out their disapproval of the two county district. Appearing before the board and speaking in favor of the district were Robert Nisbet, assistant city attorney of Oakland and Clair McCleod, former mayor of Piedmont.

### Civic Affairs Again Opposes Route No. 4

By a vote of 9 to 2, with three members abstaining, the Civic Affairs Committee of the Orinda Association rejected a motion to support the state-favored route for the western leg of the future Shepherd Canyon Freeway.

The motion was made by Joseph Zablocki and was seconded by Dr. Leonard Roth.

Zablocki urged that the Civic Affairs Committee rescind its action of two months ago which opposed the state-favored route and which advocated the Indian Valley route.

**ZABLOCKI'S** plea was made during discussion following a report by Elliot J. Hartman, chairman of the Diablo Highway Improvement Federation, that the Highway Federation board is now on record in support of the state favored route.

(See separate story.)

Civic Affairs Chairman William Thurston introduced Hartman. Thurston stated that Hartman had been invited to the meeting, to discuss the Shepherd Canyon Freeway problem.

After the meeting, Mrs. Holland Dubois, Civic Affairs secretary, said she had received no advance information that Hartman had been invited or that he was scheduled to speak.

**AFTER** Hartman talked, Herman Ruth, planning consultant retained by several neighborhood improvement associations in the southern Orinda area, spoke in opposition to the state-favored route.

Ruth presented arguments of these groups at the June 21 hearing by the State Division of Highways at Miramonte High School, and is now preparing to present further arguments at the October 3 hearing before the California Highway Commission at Miramonte.

Ruth maintained that eventual county development of a road from the Shepherd Canyon Freeway to Castro Valley would mean extra distance and extra expense for the Shepherd Canyon Freeway leg.

He also said that, under provisions of a new state law, the state is supposed to give consideration to effect of various freeway routes on "community values."

### Hagstrom Given Green Light on New Building

Last barrier to the proposed Hagstrom Food Stores, Inc., supermarket, slated to be built just south of Orinda Village, fell Wednesday night when the County Board of Adjustment granted an application for a variance land use permit in the Planned Neighborhood Business District.

**THE AFFIRMATIVE** decision came on the heels of a hearing before the board, at which George T. Kern, of the Oakland architectural firm which has designed the contemplated \$300,000 project, presented a drawing of the modern-style L-shaped structure.

With no serious opposition to the application being noted, Associate County Planner Anthony DeJesus said that it had been granted as presented.

James G. Hupp, chairman of the Orinda Association's planning committee, also spoke in favor of the proposed building.

Kern has stated that it is hoped that construction on the first wing of the building can be started this fall.

**THIS FIRST WING** would house the supermarket, he said, while the second half of the "L," in which smaller stores would operate, could be built a year from this fall.

"Construction would probably take about four or five months, and the supermarket could be open for business early in 1957," Kern stated.

The granted variance will place the building farther back from Orinda Highway than the building site area shown on the map of the Planned Neighborhood Business Ordinance.

**THE COMPANY** had requested to move the building site westward toward the creek which the building will now culvert and span. It will be near the future San Pablo Dam Road by-pass and a corner of the building will be approximately 60 feet from Orinda Highway, at the nearest point.

The ordinance provides that building space must not exceed one-fourth of the area of the site and that the ratio of parking area to store floor space must be 2½ to 1.

**KERN CLAIMED** that the company's plans are for an even smaller building than that allowed.

### Pleasant Hill, Lafayette Named As Possible Sites

Sites in Pleasant Hill and Lafayette are being considered by the Contra Costa Sheriff's Department as possible locations for a sheriff's sub station, according to John Jagard, undersheriff, speaking for Sheriff Harry A. Brown who was unavailable.

As reported in The Sun the Sheriff's Department must vacate the sub station office located in the Lucas Building in Walnut Creek because of highway construction by November 1.

**"WE HAVE BEEN** considering sites throughout central Contra Costa for the past several months," said Jagard. "A site in Lafayette would be favorable because it is fairly centrally located. Walnut Creek is very favorable."

**Sun Exclusive**

able but they do have their own police department," he said. "Pleasant Hill is very aware of its problems and a sub station in that area would be very desirable," Jagard continued.

"It would be ideal to have a sub station in every section of the county but this is not feasible since the department is badly understaffed. Even if funds were available for the locations we could not man the stations due to the lack of personnel," Jagard explained.

**ONE SITE** in the Lafayette area which has been discussed is the main fire house on Moraga Road near Plaza Way. The site was mentioned earlier this week in a meeting with Sheriff Brown, Desmond Teeter, county administrator and Norman Wilson, chief of the Walnut Creek substation.

"The site could be used from the standpoint that it is public property, radio facilities are already available and the Lafayette Fire Board is considering purchase of two other sites for fire houses, thus removing a considerable amount of its equipment from the Moraga Road station," stated Jagard.

"Sheriff Brown is very anxious to resolve the problem of where the sub station will locate. He is not going about this in a 'drop a dart on the map basis' but is thoroughly investigating cost, and area need," Jagard pointed out.

**"PLEASANT HILL** and Lafayette would give the department good coverage of the central county. If the station were located in the Pleasant Hill area, the department could work in conjunction with the Concord police, Martinez police and Pittsburg police departments and also concentrate on the fringe areas to the west."

"If the department should locate in Lafayette, we could better patrol the Orinda, Moraga area and of course Lafayette to Walnut Creek."

"The ideal situation would be a station in Pleasant Hill and Lafayette but at this time it just doesn't seem feasible," Jagard concluded.

### Plans for Modern Phone Building Told to Chamber

Pacific Telephone and Telegraph Company's plans for a \$1,500,000 dial telephone building across the road from the Pine Grove School were revealed Tuesday to the Orinda Chamber of Commerce at a luncheon meeting at Casa Orinda.

**THE PLANS** were disclosed by Area Manager Howard Greenhalgh of PT and T, who said that the company expects to begin construction of the modern one-story building around the 1st of October.

The building, he said, would be 72 by 92 feet in floor space, and would be used for supply and maintenance of local telephone facilities. It would be a stylish, air-conditioned building, he claimed, with architecture and landscaping in conformity with the community.

**ANOTHER ADVANTAGE** of the building, Greenhalgh added, is that it will allow Clifford exchange phones to dial directly into the long-distance circuit.

The company, he stated, expects the building to be completed and ready for operation in August, 1958.

Other guests at the chamber meeting were James Dana and Clarke Coldren of the Lafayette-Orinda Junior Chamber of Commerce, who gave chamber members an explanation of plans for a new Orinda Junior Chamber.

**THE NEW GROUP** would not, they said, interfere in any way with functions of the established Jaycee. Orinda has unique problems and activities, they added, which a JayCee group should be able to concentrate on solely.

The Lafayette-Orinda group has voted to sanction formation of the new JayCee, they concluded.

Clarence Betz, chamber secretary, reported that he had sent a letter to B. W. Booker, assistant state highway engineer, requesting further action on a chamber proposal to install a wire in the Broadway Tunnel for radio reception, but had not as yet received a reply.

Next chamber meeting will take place on September 4 at noon at the Casa Orinda.

### Weatherman Has Fine Reputation

If summer is waning and foul weather is ahead, the weatherman is making a gallant stand to preserve the fine position he's found himself in of late.

This week he painted a picture of pink blossoms and balmy skies, keeping the temperature down enough to allow appreciation of his efforts.

The thermometer reached a high of a mere 85, and then settled back benevolently to moderate readings.

Here's the record:

	High	Low
August 16	76	54
August 17	85	49
August 18	75	49
August 19	73	53
August 20	76	53
August 21	76	55
August 22	83	53

## Jaycees Form New Unit In Orinda

A successful organizational meeting for the Orinda Junior Chamber of Commerce was held at the home of Horton Hill, 144 Overhill Road, Orinda, Tuesday night, attended by 22 Orinda men.

Jack Martin was appointed temporary chairman and Al Young as secretary.

Active committee chairmen appointed were:

Constitution and by-laws, Eric Nelson; co-chairman, Bob Boyles. Plans and program, Orton Hill. Membership, Don Weeks.

Next meeting for this group and other interested young men between 21 and 36 will be held September 11, 8 p.m., at Casa Orinda.

The Orinda Chamber of Commerce at its noon meeting Tuesday pledged its full approval to the organization of this Jaycee group.

The sponsoring organization, the Lafayette-Orinda Jaycees, now announces that Orinda is "on its own" and needs only full local support to succeed.

### SUDDEN STOPS

If you make sudden stops or turn in traffic without giving any warning, you're in for trouble, points out the National Automobile Club.

## Soroptimists Resume Meeting

Soroptimist International of Lafayette and Orinda resumed its weekly luncheon meetings Tuesday at El Nido.

Mrs. Jack Marchant, president, announced that a regular luncheon meeting will be held at 12:10 p.m. each Tuesday at El Nido.

## Lombardy Sponsors Lessons in Bridge

Lombardy Branch of the Children's Hospital of the East Bay will again sponsor a series of bridge lessons at the Orinda Community Church, Mrs. Hazel Files will be the instructor.

There will be two classes Monday afternoons, one for beginners and one for advanced players. September 17 is the starting time. Enrollment is already started, and early registration is advised. Price for the 10 lessons is \$10. For information call Mrs. Alan Waddell, CL 4-2892 or Mrs. W. C. Young, CL 4-3507.

## David Bridges Sails With Atlantic Fleet

"Shooting the sun" with a sextant aboard the escort vessel USS Greenwood is Midshipman David M. Bridges, son of Mr. and Mrs. Robert L. Bridges of 3972 Happy Valley Road.

He is a student at the University of California. Bridges is among 1000 midshipmen representing 52 colleges and universities who embarked on 14 ships of the Atlantic Fleet in the summer's third midshipman training cruise. The cruise will visit Panama and Cuba before returning to the U.S. August 24.

## GOP Assembly Hears Caucus Secrets Aired

The mystery of what goes on behind the closed doors of a political caucus was cleared up for members of the Central Contra Costa County Republican Assembly recently by State Assemblyman Donald D. Doyle.

At a Republican Assembly meeting last week in the Walnut Creek home of Sherwood Knight, Doyle gave some insight into the clandestine sessions that took place at the recent State Republican convention.

As the State Chairman of Education, Doyle also spoke of the problems California is encountering in trying to satisfy facility educational facility demands while keeping costs at a minimum.

He revealed the tremendous cost to the taxpayer of building new schools and maintaining them and the old plants.

His talk was followed by a question and answer period, during which several meeting attendants expressed dissatisfaction with the sky-high budgets school districts are asking.

They considered, for example, the \$1,500,000 expended in Hayward for a new high school an excessive amount.

The meeting also saw the introduction of two new members into the GOP assembly. They were Verner R. Muth and E. R. Cheadle.

### Here Are Real Hosts!

**Guests Come in Doves**  
You can't see the house for the guests at the Rowe Place home of Mr. and Mrs. Irwin Miller.

Visiting with the Millers are Mrs. William Sheller of Everett, Wash., Mr. and Mrs. Joe A. Hoyt of Emmetsburg, Iowa, and Miss Judy Rogers of Portland, Ore.

**BIG DROP IN POPULATION**  
Idaho City, once a city of 40,000 and capital of the Idaho Territory, now has less than 250 inhabitants.

# Moraga Sun

## Go to Church Sunday

### Community

Interest in the summer program of the Orinda Community Church will be stimulated at the 9:30 and 11 services by Rev. Chauncey Blossom's sermon, entitled, "The God We See."

The Chapel Choir will sing "Now let Every Tongue Adore Thee" by Nicola-Bach, Lucile Fahay, Organist. Lois Flanner, violinist, and Laura Hudd, cellist, will play "Intermezzo" by Bizet as the offertory selection.

Church school will convene at 9:30; nursery care at 11. Senior Pilgrim Fellowship, 6:45 p.m.—special program to be announced. Cake sale from 9:30 to 3:00 in front of the Orinda Hardware Store tomorrow.

Junior Pilgrim Fellowship, Tuesday, informal Operation Sun-Fun party, at the Robert Brown home at 9 Orchard Court. Reservations MUST be made in advance. Call Robin Brown, CL 4-4128 or Carol Pederson, CL 4-3636.

Church School Teachers' and Officers' Conference Wednesday, August 29, 7:30 p.m. Mrs. Paul James, Director of Education, will introduce the new curriculum and explain the changes in Christian Education policy.

**Baptist**  
Services Sunday at the First Baptist Church of Lafayette will advise parishioners to "Seek Ye the Lord."

Morning worship, as usual, will be held at the Dick Mathis Stationery Store, commencing at 11 a.m. An evening service will be held at 7:30.

The church invites guests and visitors to attend.

### Lutheran

"Go and Do Likewise" will be the sermon theme of the Rev. Merle O. Tollefson, pastor of Our Savior's Lutheran Church, 1035 Carol Lane, at the 8:15 and 11 a.m. worship services Sunday.

Nursery accommodations are available during the 11 a.m. service.

Sunday school meets at 9:30 a.m., with classes for all three years old and up. There is also an adult Bible class at this hour.

Tuesday evening at 7:30 p.m. the church council will meet at the church.

The Mid-week Bible study will meet Wednesday evening at 8 p.m. at the home of Mr. and Mrs. Louis Oliveira, 740 Glenside Drive, Lafayette.

The Adult Inquiry Class will meet at the church Thursday evening at 8 p.m.

### Episcopal

The Rev. Albert Lucas will preach the sermon at the service of morning prayer at 10 o'clock Sunday at St. Stephen's Episcopal Church, Orinda. There will be a service of Holy Communion at 8 a.m.

Small children will be cared for in the nursery in the basement of the vicarage, and religious films will be shown for the older children in the undercroft. The films are "The Crucifixion" and "Nicomodemus."

The Inquirers' Group continues to meet Wednesday evenings in the undercroft.

The summer schedule of services will continue until September 16.

## New Moraga Lions Ready

Ready to receive the charter that will make them an official chapter are the brand new Moraga Lions, which a group of Moraga men formed last week at a meeting at Carroll's Ranch.

With temporary officers having been elected at that initial meeting, and with Lions by-laws adopted, all that remains in establishing the new Lion group is official reception of the charter and installation of officers.

**THE SECOND MATTER** will be taken care of next Wednesday night, when close to 35 charter members meet at Carroll's Ranch at 7:30, according to the club's secretary-treasurer, Jack Clark.

As the movement toward formation of the Moraga Lions began, some 30 men in the area signed up as charter members. Membership, claimed Clark, is growing rapidly.

**AT LEAST 20** men are required to form a Lion chapter. Slated to be installed as the first officers of the group at Wednesday's meeting are:

Robert L. Bissonnette, president; Frank W. Kerrigan, 1st vice-president; L. F. Rolley, 2nd vice-president; J. A. Sanders, 3rd vice-president; Jack Clark, secretary-treasurer; R. M. Ervin, lion-tamer; and A. J. Baitz, tail-twister.

Seated on the Board of Directors are Paul Foster, Chester Clark, K. E. Perkins and F. R. Devin.

**ALTHOUGH NEW** Lions are being welcomed in Moraga as The Sun goes to press, following is a roster of some of the early charter members:

Jim Cueto, Charles E. Ferreira, Nathan H. Hawthorne, Larry Joliet, L. E. Mancini, Bill McElhinney, R. E. McGuire, Harry Rohrer, William T. Schelling, William H. Wall, John Hammond, Jack Vinther, C. B. Evans, Dick MacIntire, George Chase, Jack Nallam, Tom Carroll and Fenwick Cole.

## THE BAT

by MCGREGOR

So casually elegant . . . so rich in the flair and dash of the continent . . . your roommate will be begging to borrow it. Better tell him to get his own . . . you'll just about be living in yours. This bat-around pullover is soft, warm nylon fleece . . . with elastic-vented waist and cuffs . . . V-inset collar that turns turtle. Just wash and wear.

## Moraga Dateline

By EVA THUNE, DR 6-5593

The newly formed Junior Horsemen's Association held its meeting Thursday, last week at the home of Bill Lance on Camino Pablo. Members, numbering 35, sat in the patio, and after the meeting, the refreshment committee served cake and punch while they listened to Western music.

**NEW LEADERS**  
The order of the meeting, conducted by Director Bill Lance, included the adoption of the by-laws and election of officers.

Those elected were: President, Caroline Thune, Moraga; vice-president, Sandra Thomas, Lafayette; secretary, Gale Correia, Moraga; treasurer, John "Butch" Enzeker, Lafayette; sergeant-at-arms, Gary Lucas, Orinda.

**Directors:** Roy Gesinger, Moraga; Henry Beegeer, Moraga; William Morison, Lafayette; Betty Parker, Moraga; William Lance, Moraga.

## Moraga School To Open Sept. 5 With 'New Look'

When pupils of the Moraga School begin their fall semester September 5, they will find that not only have they a new principal, but that the entire school faculty has been revamped.

Replacing Mrs. Alberta Hauskens as school principal will be Charles E. Toll, who instructed the 7th and 8th grades at Moraga last year.

But Toll's will be the only faculty face familiar to the school's pupils.

With three teachers having departed this summer, and Toll continuing his 7th and 8th grade instruction, the teaching staff will be completed with Mrs. Ruth Larson, 1st and 2nd grades; Mrs. Mercedes Rossol, 3rd and 4th grades, and Mrs. Eleanor Lethan, 5th and 6th grades.

### Registration

Registration for the fall semester at the Moraga School will be conducted on September 4, the day before school opens, announces Principal Charles E. Toll.

Sign-ups will be held at the school from 9 a.m. to noon, and from 1 to 2:30 p.m.

Moraga School has added another new member to the staff. For the first time, the school will have a secretary. She is Mrs. Elaine Thaxter.

The school's new principal, before coming to this area, spent eight years teaching in Coolidge, Ariz. Toll is a graduate of the Tempe, Arizona, State College.

Not only has the school's personnel changed, he claims, but some parts of the building itself will be hard to recognize. Expected to be ready next month is the conversion of the auditorium into two classrooms.

This is being accomplished Toll said, by installing folding doors in the center of the auditorium, thus dividing it. The rooms can be reconverted into an auditorium simply by opening the doors.

Toll said the move was necessitated by the expected growth of the student body. About 110 pupils are expected to be enrolled in the fall, as compared to 71 pupils last fall.

Buses carrying pupils to school will follow the same schedule as last year, Toll added.

A working committee was appointed to handle details for the barbecue, being held Sunday, for members and their families, at the Wildwood Acres property of Jim Lucas of Hunsaker Canyon.

Riders will meet at Rheem Center, Clark's Market, at 10 a.m. and proceed to their destination.

Registration day at the Moraga Elementary School, will be held the day before school starts, on September . . . All first graders and new students may be registered at this time, thereby avoiding a lot of confusion on opening day.

### CUTTING MISFORTUNE

We were all sorry to hear about Johnny Hoyt's accident. Johnny, son of Mr. and Mrs. Jack Hoyt of Rheem Boulevard, was trying to cut loose his horse, which had become entangled in the tying rope, when the knife slipped and severed several tendons above the knee.

As a result, Johnny spent four days in Alta Bates Hospital, and now wears a leg-length cast and walks with a crutch, and will for the next six weeks.

Tickets are now on sale for the sixth annual Fireman's Ball, which is scheduled to be held at the Moraga School, September 22.

Prizes donated include an 8 mm. Brownie movie camera, a barbecue with an electric spit, and a floor lamp with a 3-way switch.

Back from vacation are John and Florence Huff of Larsh Avenue. The Huffs spent a week at Blue Lake, fishing and swimming, where they were joined by John's sister and husband, Mr. and Mrs. Ed Stucken.

Fishing was good, in fact. VERY good, for they caught their limit.

After leaving Blue Lake, they proceeded to Salinas, where they spent a few days with friends Mr. and Mrs. William H. Troop and son, Bill. While there, they made a sight-seeing trip around Carmel and the 17-mile Drive.

**WESTWARD HO!**

### Henry Farrell

Is Honored by Local Jaycees

Henry L. Farrell was named Lafayette-Orinda "Jaycee of the Month" for outstanding administrative work during the month of July, at the August 13 meeting of the Lafayette-Orinda Junior Chamber of Commerce.

He was presented an engraved cigarette lighter by the local.

Another member of the local, Clarke Coldren, has been honored by being selected district awards chairman, and as such is a member of the California State Awards Committee.

The next meeting of the local features an outstanding speaker Terr Von Knoop, adjunct vice-consul for West Germany.

Herr Von Knoop will speak and show a film feature on "The Rejuvenation of the New Germany."

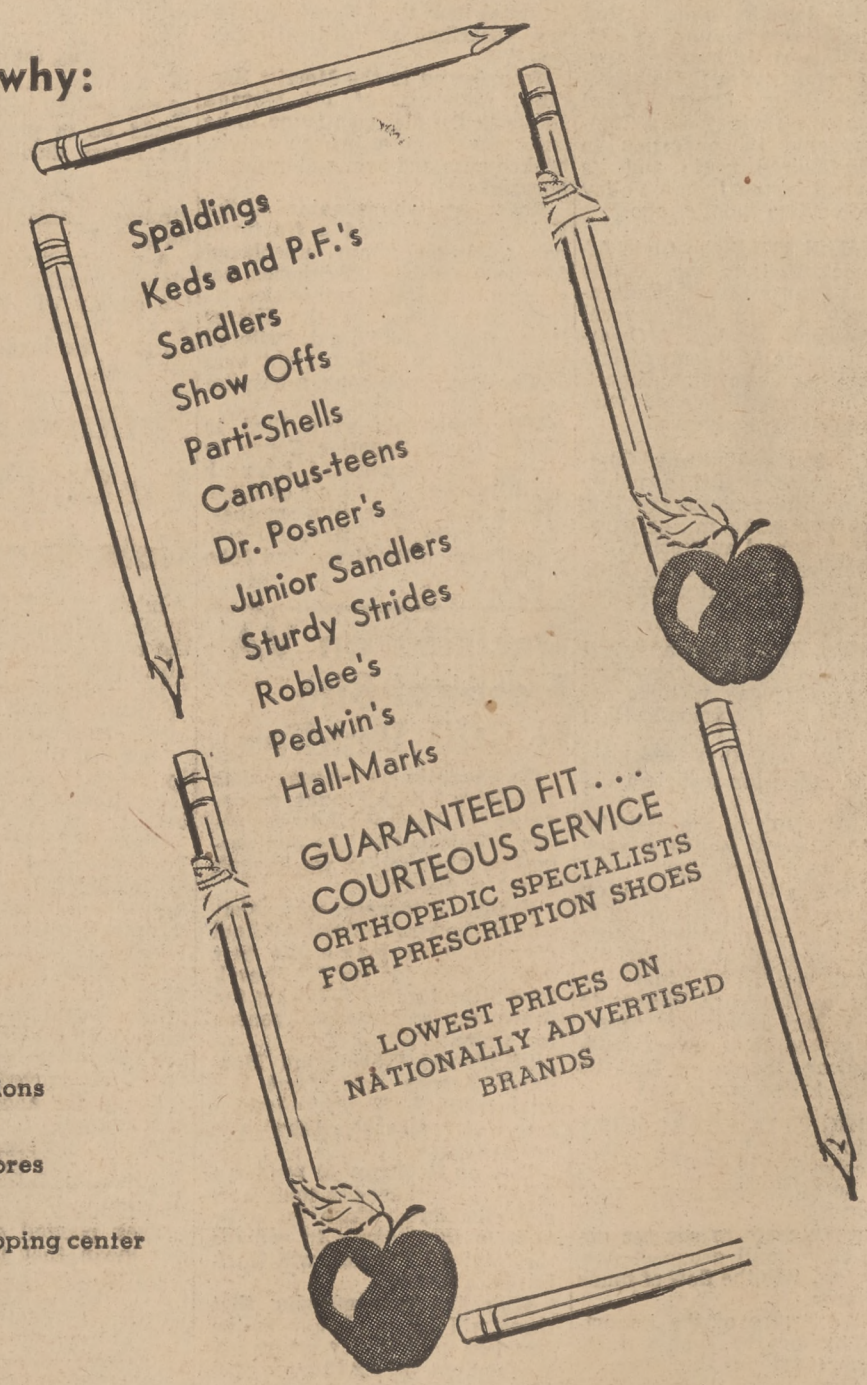

All young men between ages 21 and 35 who are interested are invited to attend. The meeting will be held at the El Nido at 8:15 p.m. Monday.

Dick Burnside reports that the "Follies" rehearsals are proceeding according to schedule and that come October 5, 6, 12 and 13 the "Follies" should produce some lively laughs for local residents.

All proceeds from this production are to be given to the Lafayette Community Center Youth Building Fund.

REPUBLICANS FROM THROUGHOUT Contra Costa were present at the Round-up for Republicans at the Dollar Ranch Sunday. Here Mr. and Mrs. Charles Fallentine of Concord, Mr. and Mrs. Larry Pinard of Walnut Creek, Mr. and Mrs. Ralph Becker of Pleasant Hill and Mr. and Mrs. John Haring, left to right, pause during the afternoon's festivities.

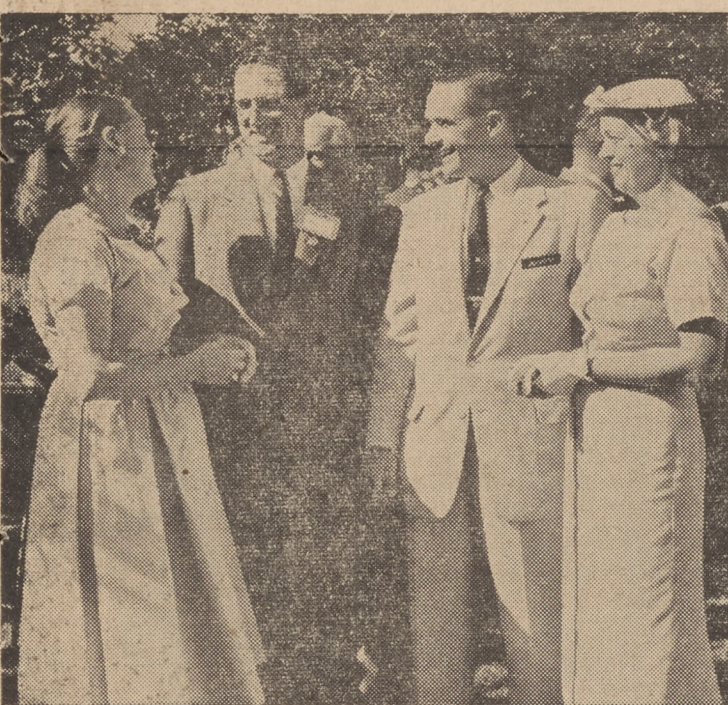

POLITICAL HOPEFULS relax from duties in the receiving line to give the photographer a break and a pose. From left to right, Mel Nielsen of Lafayette, Don Doyle, assemblyman, Jack Pedder, senatorial candidate and John Baldwin, incumbent U.S. Representative.

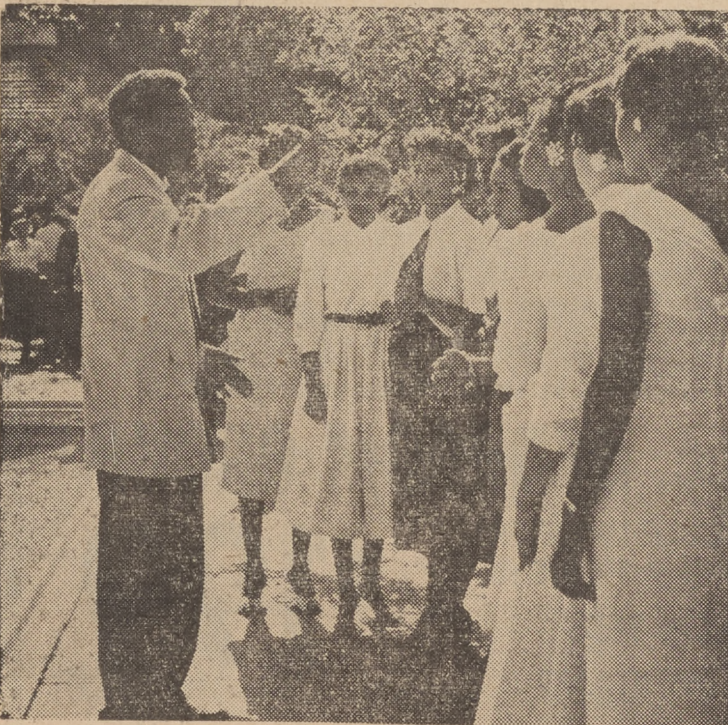

ANOTHER GROUP of Republican well-wishers at the Dollar Ranch on Sunday were Roy Nelson, C. L. Aiman, Mrs. Aiman, Gil Haley, Ruth Young, Mrs. Gil Young, John Nedjely, Frank Young and Bill Anderson.—Sun photos by Elizabeth vander Mark

JUST A SMALL DONATION is all that Mrs. Matt Connelly, far left in "Ike Dress," asks of this group of Republican supporters at the Dollar Ranch last Sunday. From left to right, King Parker Jr., Joseph Hickinbotham, Ruth Pacobus, and Mrs. Hickinbotham.

DISCUSSING THE SOCIAL rather than the political aspects of the forthcoming presidential election were Mr. and Mrs. Edmund Barnett and Mr. and Mrs. Phil Knox at the Round-up for Republicans Sunday.

THE CONCORDIANS from Richmond provided some of the entertainment during the Round-up for Republicans at the Dollar Ranch near Walnut Creek Sunday. Other entertainment was provided by an Indian dancing group.

# GOP Gets Big Welcome at Area 'Roundup'

By MARIE MONAHAN

WITH A BIG WIDE WONDERFUL WELCOME, the tall iron gates inside the Saranap estate of the R. Stanley Dollars opened last Sunday to a whirl of Western hospitality honoring visiting GOP leaders and Northern California Republicans at a fabulous FUND-raising party, a "Roundup of Republicans."

Pre-convention celebrants entered the Dollars' drive which was flanked by pillars of stone, proceeded in a steady stream of cars up the long drive past rich farmland, hillsides turned oatmeal by summer sun, past grazing herds of cattle and through the massive but graceful gates to the large parking area where local Young Republicans put the cars to pasture for the duration of the party. . . No traffic congestion here, with Hal Bates of Concord directing traffic, an able assist from Bill Schaaf of El Sobrante and other committeemen from the area.

UP THE WINDING DRIVEWAY, by foot, past ticket tables where we spotted Mr. and Mrs. Donald Krotz of Orinda, (she was ticket chairman), both wearing western dress. . . The Edmund Barnetts of Lafayette, who escorted Congressman Phil Weaver (Neb.), greeting friends. . . Frank Young of WC at the Badge Booth, where committee members and top brass, too, picked up the easy-to-read name tags. . . The walkway flanked by carpets of velvety grass which felt like foam rubber underfoot, the vast expanse of level lawn studded with handsome apple trees, as well as handsome people.

Stopping near the Wells Fargo Overland stagecoach, borrowed from the bank's "History Room," the Martin Whites greeting Congressman Walter Judd (Minn.), whom Maud remembered addressing her VASSAR class years ago, and he was delighted when she told him so! Dr. and Mrs. Thomas Barrows of Orinda were escorts to the party for the Minnesota official.

THE LOVELY COUNTRY MANOR HOUSE, covered with ivy and graceful wisteria, a pale citron yellow, dull gold scalloping along the eaves. . . The center of the house rising in steeple effect above the entry, the surprise of a huge unique clock in its center, with zodiac discs in place of numbers. The fun of discovering a red steer weathervane high atop the roof.

Here, near the entrance, the Frank Wrights of Orinda, (Jeanette in a vivid squaw dress), clicking pictures of guests in front of a shiny black surrey with fringe on its top. . . The Joseph Langdells of Sun Valley chose this for background, while others stopped to be photographed in front of a red, white and blue crepe paper elephant. . . The Wendell Spackmans, Walter Boyssens, Frank Dutras, all of Orinda at a standstill here. . . ditto Larry Haines, smiling and white-capped. . . Nearby, the Al Laubes and the Lou Ellises of Concord.

At the stairs, Mrs. Charles Rodier of Pleasant Hill, in a black scoopneck top, a moss green and yellow pleated skirt. . . Surrounded by customers for convention pins and memorabilia, Mesdames Frank Collum and Colin Doiron, both wearing white dresses with an all-over print of IKE. . . Greeting guests at the open doorway, Mrs. Lee Decker in muted pink under the soft light of a chandelier.

PASSING THROUGH. . . The Paul Jacobuses of Walnut Creek coming from a luncheon they hosted in honor of Sen. Andrew Schoepel (Kansas), the brother of Mrs. Jacobus. . . Dr. and Mrs. Robert Graham of Concord escorting Congressman Laird (Wisc.), while Marion and Frank Bottomley of Orinda, who have lived in Hawaii, catching up on island news from Mrs. Joseph Farrington, delegate to Congress from there. . . The Lindsey Spights and young Dave Barrows escorted former Sec. of the Interior Douglas McKay and his wife. . . Glimpsed, the Harold Haynes Heywood Gathings, Richard Fayrams, Bill Seiferts, all of Orinda.

Busy with introductions, the G. T. Barrys of Pleasant Hill, escorts to J. Arthur Younger of California. . . The Glen Fosters of Happy Valley, Stan and Ann Nightingale making the rounds of greetings with Congressman Carroll Kerns (Penn.), nat'l. pres., Republican Women.

The difficulty of deciding what to look at the most. . . the dignitaries or the decor, both very impressive! The house interior, a decorator's dream, where flowers of all kinds, real, artificial and dried, flourished everywhere. . . Voluminous bouquets, on chintz, in vases and bowls, tucked into lamps, under glass bells, in lacy iron stands. Ballet-skirted fuchsias lining the baultrade on the second floor visible from below.

THE HIGH-CEILINGED SOLARIUM, in subdued light, done in mauve, beige, moss green, rose, touches of gold, a circular French Provincial charm of a loveseat mid-room, pretty porcelain birdcages, a pink marble table. . . A perfect backdrop for the pretty hostesses. . . Blonde Mrs. C Wadsworth (Betty) White in a white flower-sprig print, a wide sash big-bowed at her back, chatting with Mrs. Howard (Doris) Weidemann, both from San Ramon.

In charge of changing the guard here, tall Betty Irwin, in pink, Mrs. Reginald Biggs of Walnut Creek. . . Mrs. Thomas (Merlon) Some of her hospitality group, Mrs. Gertrude Walker, Betty Morris, Howard pointing out a collection of miniature mementos from all over the world. Mrs. Stanley Place, Danville, hostess in the delectable sitting room. . . Admiring an old music box here, Mrs. Ed Winthers with Comdr. and Mrs. Duane Bellinger of Orinda.

Out on the brick terrace, under the rose arbor. . . The Joseph Hickinbothams greeting Ruth Jacobus, she in patriotic red, white, blue ensemble. Her husband Melvin and Perc Brown, both of Orinda having just left to take House Speaker Joe Martin back to SF for another appointment. The Jacobuses, by the way, escorted Senator and Mrs. Thye (Minn.) from SF to the country estate.

Mid-afternoon arrivals, the Ned de Laveagas, Elliott Mauzy of WC greeting a group. . . Chairman Ritchie Smith of Orinda with Mrs. Smith wearing a white squaw dress, a silver Indian coin belt.

In the receiving line, the Howard Fishers of Orinda, with daughter Lee, just in from a Santa Cruz visit. . . Lorraine Becker, Pleasant Hill, chatting w/the Ernest Fallentines. Mrs. Ruth Young, pres. of the WC Republican Women, carrying a saucy straw bag trimmed w/American flags. . . The Donald Doyles. . . General and Mrs. Clarence Wallace, who summered in Arizona, chatting with John Baldwin. . . A formal handshake followed by a grin exchanged between the Calif. Congressman and Kay McGuire, who, after a year's career in the capital as his secretary, is "at home" in Orinda again. Jim Irwin, in a white western hat, a black and white "I like Ike" shirt, a sartorial surprise from Harry Peck of Orinda. . . The Charles Heges, Fred Mulvanys in the crush.

Elsa Connelly selling GOP balloons while her spouse Matt dispensed liquid libation at the Orinda bar, one of the many set up for each area to serve as "homeports" across the orchard-laden

lawn. Around the Orinda Cooler, the Fred Busseys, Hank and Millie Wright, Don and Maursen McConnell. . . Lonie Bee near the pool, a bright red tie. . . Kendric Morrish busy with his new polaroid camera, showing the finished picture taken only minutes before of Jack and Sue Beckett, Georgann Beckett and very blonde Nancy Pickford. . . Marion Morrish very photogenic in a beautiful froc, ecru, the slim skirt of tiered fringe.

The shade of the apple trees, heavy with lush boughs of fruit, a welcome spot in the western warmth of the day. . . Ed Parks of Lafayette, Bill Anderson, WC, with Congressman Jenkins (Ohio). . . Bernice Ely tabled with Maria Gallinatti to sell refreshment tickets, the mention of dinner party plans that eve at the Howard Staffords' Lafayette menage.

Tray canapes offered by Kitty Schwarck of Orinda to Mesdames R. W. Ohi and William Ornduff, Dr. John Hubbs, a Lafayette tri leaving the poolside show where water ballet, the "Bike For Ike" riders from DC and authentic Indian dancers in colorful costume were among the diverse entertainments offered. . . Also passing canapes, Vera Bremer, Orinda, in a kelly green ribbon-knit skirt, matching top and shoes.

IN THE MELEE, Carl Vendt of Walnut Creek in a white coat. . . Larry Corbett, Richard Ward, chatting with the Philip Knoxes, who are soon to make their home in Southern Cal. A former State JC prexy, Phil's new title and reason for move, exec. dir. of the Republican Association. . . Two in smart black, Mrs. R. W. K. Ulm of Concord, distinguished Mrs. E. H. Haase of Lafayette, who, with her husband, escorted Gov. Smiley and his party.

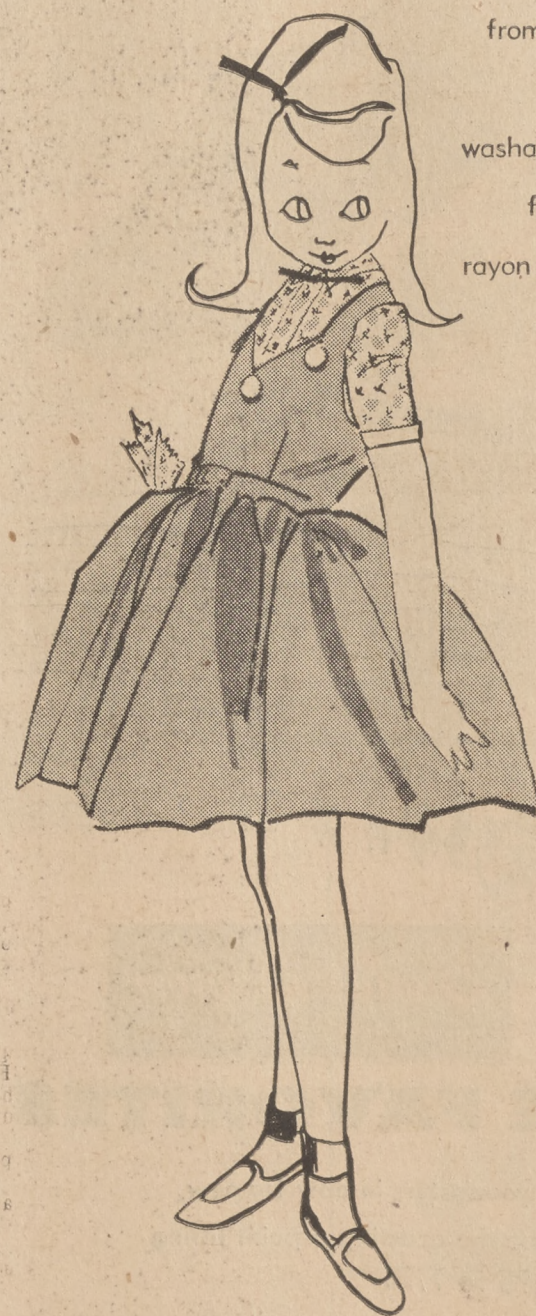

Near the poolhouse, a glimpse of Irv and Melva Magill. . . Emma Kiesel and Dorothy Read, both of Lafayette, manning the Lost & Found table, where a white sailor straw, tenderly trimmed with tiny flags, a gold elephant, campaign buttons and GOP foot-far, waited to be claimed by its owner. . . Virginia Boyd of Alamo with a Berkeley friend, going on later with her husband Bill to a dinner party hosted by the M. J. Madisons of WC. . . The Don Coffins buying tickets from Barbara Smith of Orinda. . . Pink checks for Mrs. Jack Pedder. . . More ticket-takers around Ann Ward, Doshie Sleeper.

## Youth Concerts Board Sets Campaign Plans

Plans for the October subscription campaign and kick-off tea for the Central Contra Costa Youth Concerts were made at the home of Mrs. Charles F. B. Price August 14 when she met with board members.

Mrs. Price is campaign chairman. Season subscription blanks will be sold during the campaign which will be held the last two weeks in October.

Mrs. James Perry, Youth Concerts president, recalled to the group how the idea of bringing a music appreciation program to the youth of this area began in the minds of herself and Mrs. Price and of its culmination in last year's successful first concert season, using the outstanding talent of our own Bay Area.

MRS. PRICE added that the four concerts will again be held on Sunday afternoons in the Las Lomas High School auditorium in Walnut Creek beginning in January.

There will be one concert each month with the entire San Francisco Symphony followed by the University of California Glee Club

and Treble Clef Society, the young ballad singer, Stan Wilson, and finally the Berkeley Youth Symphony.

Present at the meeting were volunteer workers including Mesdames John W. Dorr, Orinda area; R. L. Davis and R. W. Hughes, Lafayette area; Austin Paul, north of Walnut Creek; T. W. Marston, Walden area; George Imboden, Indian Valley area; Robert Brown Walnut Heights; Robert Odell, Parkmead area; Mrs. Philip Greer, Danville area; L. R. Olson Pleasant Hill; James M. Crothers, Gregory Gardens area, and Warren Kaeding, Concord.

THOSE WISHING to volunteer their services for the campaign may contact area volunteers or members of the board of directors of the Youth Concerts.

Board members present were Mrs. George Gibson who will contact the public school music teachers of the area and Mrs. D. W. Carlson, publicity chairman.

Final plans for the tea to be held October 3 for all campaign volunteers will be announced when details are completed.

## Demo Women Hold Study Meetings

Contra Costa Democratic Women's Club is now carrying out voter education and study programs while working on plans for future fund-raising drives.

Mrs. Melvin Reid and Mrs. John Stock, Walnut Creek co-chairman, announced today.

Voting to participate with other Democratic groups in a booth at the Concord Red Men's Pow Wow Thursday through September 3. The club board also approved committee appointments at a recent meeting in the Concord home of Mrs. Antonio Silva, president.

Appointees are Mesdames Salie Hoff, Walnut Creek, voter education; R.R. Nesbitt, Walnut Creek, clerical; John Morgan, Pleasant Hill, and Henry Newkirk, Pittsburg, fund raising; Varley McBeth, Pleasant Hill, membership; Russell Koch, Pleasant Hill, hospitality; Samuel P. Selznick, Pittsburg, program; Ben B. Bloom, Pittsburg, research; David N. Bortin, Concord, contemporary problems; Roger Decker, Concord, bulletin and E. B. McQuarrie, Pleasant Hill, publicity.

State Senator George Miller Jr., Martinez; Dr. H. R. Quinney, Vallejo, Sixth Congressional District candidate, and Russell Koch, Pleasant Hill, 10th Assembly District candidate, will be guest speakers at coming meetings.

## Art Groups Prepare For Busy September

September will be a busy month for artists, as again the two representative art groups in the county will combine forces to bring to the Diablo area the work of their local artists.

The Valley Art Center will have their 8th Annual Outdoor Art Show at the Center's "Artist Market" at 3420 Mt. Diablo Boulevard, Lafayette, September 8th and 9th from 10 a.m. to 10 p.m.

The Diablo Art Association is having a gallery show by members in the East Room of the Recreation Hall in Walnut Creek Civic Center.

This is part of the Walnut Festival Program September 21, 22, and 23. The DAA Show is co-chaired by Katy Madsen, Walnut Creek and Evadne Wenker of Alamo, Doris Whipple, Danville is in charge of the hanging picture committee and will have on her committee, Irma Judson and Gertrude Albright of Walnut Creek.

Mrs. Pearl Wille and Mrs. Cook of Lafayette will head the hostess committee. Display Cards will be done by Mrs. Lulu Osgood of Walnut Creek and the ceramic display will be supervised by Mrs. Eleanor Condon of Walnut Creek. S. G. Culver of Orinda is in charge of insurance and prizes.

James Lawson of Alamo will have as his assistants on the property committee, Art Watson of Pleasant Hill, Rolfe Williams and Francis Mulvehill of Walnut Creek and Louis Gutierrez and Leonard Barsley of Pittsburg.

Both of the above shows will have a membership exhibit preview the evening before the shows open.

These two organizations are well-known in the area for their untiring work in the cause of Art. The Valley Art Center is a sponsoring group which bring to our County many outstanding Bay Area Artists and Exhibits. They maintain the Artist's Market and Gallery in Lafayette where at regular museum rates many fine works of art, paintings and sculpture are rented.

The work displayed at the Market is hand-crafted and here also orders are taken for portraits by well-known artists. A few such names are Royden Martin, Jade Fon, Margaret Ulbrich-Keene,

Sun classified ads appear in 5 papers for 1 bargain price.

## DeMolay Mothers Club To Hold Special Meet

The executive board of the Mothers Club of Las Trampas Chapter of the International Order of DeMolay will hold a special meeting Monday at 8 p.m. at the Masonic Temple in Walnut Creek.

This will be their final meeting as the new officers will be installed at their next meeting. Mrs. Dottie Fernandez will preside.

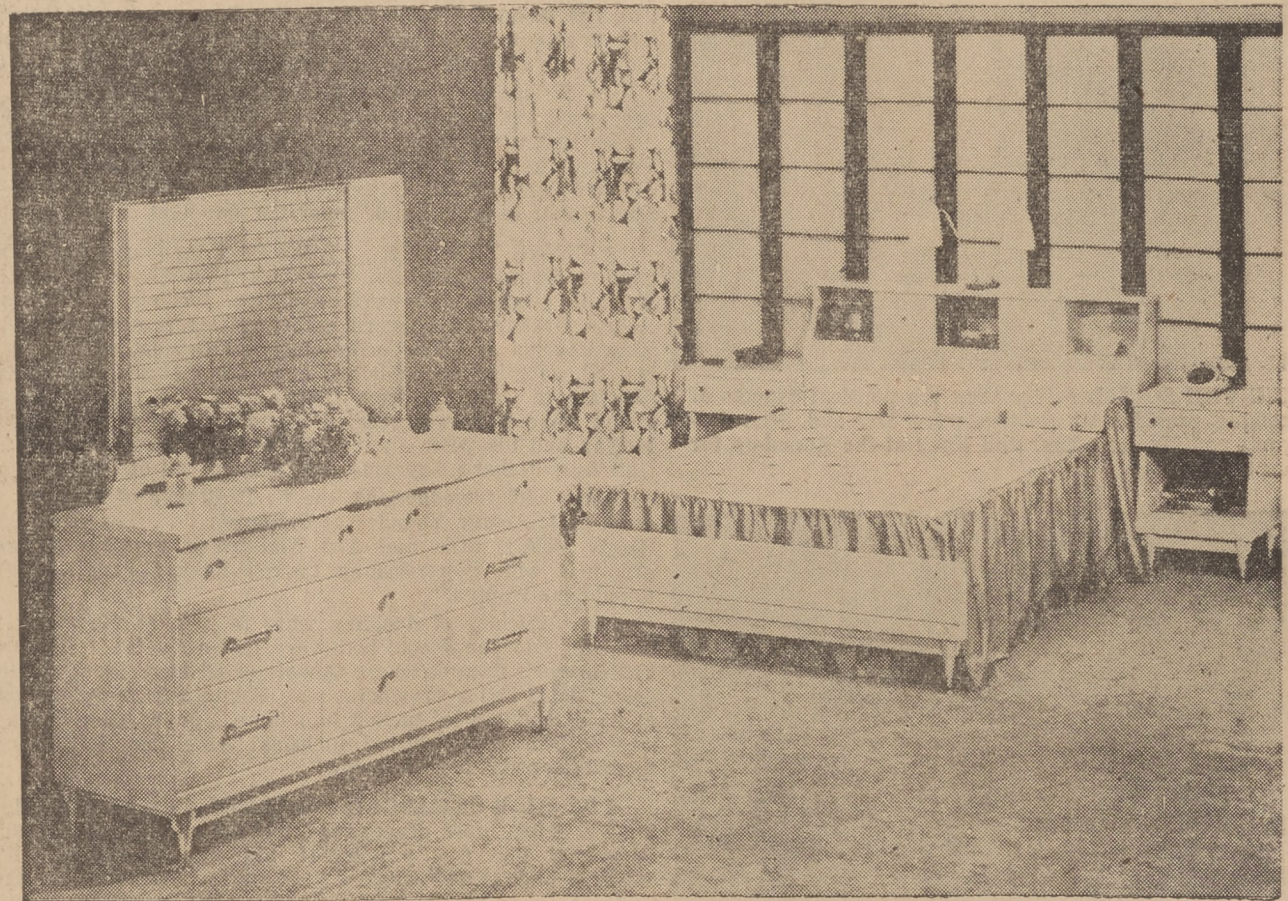

Sun classified ads appear in 5 papers for 1 bargain price.

Mfg. Grant Lab. Oakland 8, Cal.

## Water Wings Wins Laurels For 'Jr. Olympic' Racers

More than 200 contestants and nearly as many admiring adult spectators attended the Valley Art Center's first "Junior Olympics" swim meet Sunday afternoon at the home pool of Mrs. Harold Powell, 5139 Arabis Road, Lafayette.

A variety of attractive prizes were awarded winners of the fast-paced meet, which was directed by Mrs. Edgar A. (Jane) Manske, former Olympic diving champion and well-known local water mentor.

Prizes were donated by Orinda, Lafayette and Walnut Creek merchants.

Ex-All American football star "Eggs" Manske was master of ceremonies, assisted by registrar Rick Ostrom, starter Jon French and time keepers. A half-time exhibition of synchronized swimming by representatives of the Soltan Swim School in Walnut Creek drew applause.

The "Junior Olympics" was held to benefit the Valley Art Center's building fund and as an aftermath of popular requests may become an annual event, according to Mrs. Rawlings Simon, general chairman.

Winners in the 5-6 age group, both boys and girls, freestyle, were: First, Judy Schamner; second, Cameron MacVean and third, Kisi Rands.

Boy winners in the 7-8 years' freestyle competition were: First, Cooper Barnett; second, Tom Macpherson and third, Richard Jackson. Girls winning in this group were: First, Colleen Beaton; second, Carolyn Mortara and third, Michelle Esquibel.

Among 9-10 year old boys, freestyle winner was Charles Schillinsky, with Fritz Von Tegen second and Philip Simon third. Top girls in this class were Suzy Manske, Cherrie Esquibel and Sarah Manlin, respectively.

Freestyle for boys 11-12 was won by Bill Eaton with Gary Soltan second and Kurt Sindel, third. Girls topping in this group were first, Veal States, second, Rose Bevit and third, Robin MacVean.

Winners in boy's freestyle, ages 13-14, were Charles Hastorf, Jerry Macpherson and John Ostrom. Girls placing in this event were Sally Browning, Jane Manske and Vicki Czaja. Tops in the boy's freestyle, ages 15-16, were Peter MacVean and Morgan Jellett; girls were Nancy Soares, Cynthia Shaw and Sharon Stanton.

## SPOT LOANS

Leonard J. Fritsch, Mgr.  
Walnut Creek: 1376 Main St.  
Oakland: 1615 Broadway  
Richmond: 713 Macdonald  
Pittsburg: 516 Railroad

The public is invited to attend these meetings at 8 p.m.

A well-known guest speaker is present at each meeting.

At the September 27 meeting, Dr. Herschel Chippis will give an illustrated lecture with projectors and screens on "Picasso and Matisse: Masters of Modern Art."

A coffee gallery will follow the lecture when the members bring their current works for discussion and criticism.

The Diablo Art Association with the Walnut Creek Chamber of Commerce staged the First Annual Diablo Art Pageant last May. Another Annual is the Walnut Festival Show. A bazaar by working artists will be held the month of December this year.

Whether your interest in art is appreciation or creation you are invited to join either or both of these groups. For further information call YE 4-3835, VE 7-2997 or AT 3-2930.

## Suburbia Scribblings

By MARIE MONAHAN

### The famous florists probably just broke even

AN ANNIVERSARY-MINDED SUBURBANITE dashed into SF's Podesta & Baldochi on his lunch hour. With a grand flourish, he ordered two dozen long-stemmed roses for his beautiful wife. With ONE stipulation! Flowers to be boxed in one of those sleek four-foot jobs and personally delivered in P&D's plush truck early on a Sunday morning . . . when all the observing neighbors would be up and about!

Well, WhaddyaKnow Dept. . . . Column readers in-the-know called to tell us there IS a Snug Harbor as well as a Snug Harbor. Snug Harbor located on Bobolink, off of Manzanita Dr., part of the land originally owned by the late sea-going Captain Oakley, whose home in that area was the original "Snug Harbor."

Snug Harbor, is a secluded street of five homes or so overlooking Camino Sobrante, off of LaEspiral at El Sereno, where live the Emerson Wisers and the Gordon Hoopers (of the fine chocolate firm) for two that we know of. (For further inquiries, service station attendants, realtors please copy!)

Gild members of the Community Church held a two-day swimming party, August 14-15, at the home of Anna Mordy . . . the opportunity to compare summer notes, have a dip in the pretty pool, sunbathe against a scenic backdrop of Orinda, and by way of getting better acquainted, each guest making a list of all other guests and where they were born or grew up, which was fun, and uncovered a few mutual friends.

SUNNING ON THE LAWN together were Phyllis Hartanov, a busy summer for her chattering tribe of teenagers . . . Marian Long, Barbara Mattel, Joanne Buckley telling of fall plans for a trip home to So. Dakota. . . Margaret Fisher and Dorothy Barden, the latter in pink plaid, a summery leghorn! Mary Dorr, between radio and TV commitments, dropping in w/ her mother, Mrs. Harper Wright. . . Fran Hafner, Mary Monosmith, Ann Hammond, Ruth Sawyer conversing in the shade of an umbrella table.

When everyone settled down w/ their coffee cups, Guild president Anna Mordy introduced Barbara Wayne, who w/ Helen Gulick and Nancy Davison, gave a warm and interesting account of their two-day stay at CAZadero. . . Virginia Phelps, presented w/ a gladioli corsage artfully fashioned by Helen Drews, said a little informal farewell since she will be moving w/ her husband Ralph and family soon to San Rafael. The Phelps, longtime Orinda residents, Virginia a past guild prexy.

### A chaise feels fine after so long in the saddle

Fanny Dozier, Millie Twining, Laurie Kersten, Emma Usinger, Maudie Snow, Carolyn Ham, just a sprinkling of those enjoying the sunny day swim party on one or the other days.

VACATION AGENDA . . . The Paul Beyerles to Lassen and Crater Lake . . . Bill and Jane Courtright guesting at the Jim Hill's Twain Hart house . . . Together at Tuolumne, the George Hauers, Bob Thamans. The Bill Brocks recently too, as were Nancy and Paul Mouser, the Murray Sharps, the camp's a popular place w/ localites.

A pack trip on horseback some 27 mi. in from Strawberry Lake at Pincrest for the Albion Harmons, who are now home and appreciating it! Peg Winters back from Vancouver, a tour of Prince Rupert and Queen Charlotte Islands.

Lefty and Bob Kilpatrick of Dos Osos and "THE JEWEL," their Jaguar, toured the Eastern States this summer while the Frank Eggertsons and the William Powsells made their annual pilgrimage to Utah. . . Most of us drove down to Carmel, but Rana Messersmith flies there, and quite often, too.

The Leroy Bromleys of El Toyonal, who have been in the Philippines for over a year, are en route home, the long way through Europe. Their youngsters already back, staying w/ relatives. The Bob Petersons, who have been leasing the Bromley's curvaceous new home, plan to stay on in Orinda. The John Ogden due home from the Islands!

The Paul Stones, while down South, ultimately landed at Disneyland. . . The A. C. Flenner family camped at Big Sur, Wright's Lake, the DeLoss Winklers at King's Canyon.

### A case of fishermen's pluck to land this one

The Carl Dudley's son Steve, off to the Southland w/ his family this week, has his brand new deep-sea fishing rod along, we'll bet! His wonderful prize for landing a 26-lb. salmon and coping the Derby Title last week during a SF Bay fishing trip w/ his father!

TEA AND CRUMPETS around the English countryside for

## Guests See Lions Give Library \$200

Lions from Lafayette, Moraga and Florida were present as the Orinda Lions demonstrated one of the club's charitable functions by turning over a check for \$200 to the Orinda Library Fund.

With many guests, including members of the newly-formed Moraga chapter and a special visitor from Florida, looking on, the local Lions also learned a great deal about the check they were handing over.

Explanation of the foul play this or any check could be subject to, and the methods of practicing forgery, was given by Ken Abbott of the Paymasters Bonding Company.

His company's function, Abbott explained, is to uncover forgers and discover their methods. He said it was a vital function, as close to \$500 million were lost in checks last year due to forgery.

He revealed methods of check forgery, thievery, figure distortion, and other felonies.

## Scout Troop 200

Troop 200 of Orinda plans to begin its fall scouting program with the first meeting of the new year at 7:30 p.m. September 17 at the Boy Scout hut.

The troop announces that it has several vacancies and invites interested boys to contact Scoutmasters John Williams, CL 4-5353, or Chuck Beckett, CL 4-5213, for enrollment.

## Family Takes Respite

A few days of leisure at Del Monte Lodge, Pebble Beach, were recently spent by Mr. and Mrs. Robert M. Cornforth, 4175 Canyon Road.

The Cornforths had as their guests Judge and Mrs. W. E. Miller of Nashville, Tenn.

Maudie Nie and her children Ann and Michael, all visiting Maudie's parents there while husband Ted is batching it at home. Maudie, if you didn't know, is the delightful English accent you've missed lately at your local "5 & 10" store!

NO HOLIDAY FOR STRINGS HERE . . . Continuing to meet through the summer, the Orinda String Symphony, the group now conducted by Arnold Griller whose father's "Griller Quartet" is widely known in the music world!

If you're bashful about picking up a bass viol after all these years, stop fiddling around! They're just WAITING for you. That is, Betty and Ed Richards, Bettina Anderson, Lois Flenner, Doris Byron, Dick Hamlin, Pat Whinnery, Berniece Lewis, Orville Peterson, Doris Garb, Helen Jacobs, Laura Hudd, and quite a few more since we got this information from Laurie Rignor, whose pet project this is!

If you'd just like to look and listen, too, the Welcome Mat is out . . . Wednesday, 8 p.m., Fellowship Hall of the Orinda Community Church! More than a few country folk, by the way, think an outdoor symphony some Indian summer evening is just the ticket for here, don't you?

FOR A MOTHER'S MEMORY BOOK — When the carillon rang out through the hills one Sunday recently, an adorable small tot tugged at his mother's side and said in an awesome voice, "Mommy, is that God playing the piano up there?" — And that's a nice little note to finish on.

## Colonel Retraces War Routes on European Trek

"We are surfeited with Alpine grandeur and Italian antiquities, and we are glad to see Mulholland Hill again," said Colonel Lovick B. Pearce after returning to his Oak Drive home.

Colonel and Mrs. Pearce recently returned after a European trip of several weeks' duration. They visited their daughter, Tinita, at Wiesbaden, Germany, where her husband, Capt. Charles M. Van Deyne, USAF, is in charge of the Obstetrical and Gynecological Department of the Air Force hospital.

Colonel and Mrs. Pearce made motor trips through France, Germany, Holland, Austria, Scotland and Italy.

In 1945, Colonel Pearce, as headquarters commandant of the 71st Infantry Division, established the division headquarters in a number of chateaux and German Schlosses.

He was able to retrace his old route during this trip in a much more congenial atmosphere.

"The restoration work accomplished by the Germans is remarkable," he said, "especially in Nurnberg."

## Scientist Celebrates 20 Years with Shell

Shell Development Company research scientist K. D. Detling, 5 Sally Ann Road, recently celebrated 20 years of service with the company. He is assistant department head of the Catalysis and Surface Chemistry Department.

Detling began his career with Shell in the old Production Department as a chemist. He entered the Process Development Department in 1942 and in 1949 was promoted to assistant department head of the Catalysis and Surface Chemistry Department.

"We're going ahead with our plans for the Orinda area," he stated.

He was referring to expansion and improvement plans for the area made possible by recent passage of an \$8,900,000 sewer bond issue.

DISTRICT MANAGER Gerry Horstkotte Jr. was reported to have expressed approval with the proposed General Plan with the understanding, McPhee emphasized, "that our district would not be affected."

## Plan Considered For Drain Basins

Orinda, Orinda Village and Glorietta were mentioned as parts of a new General Sewerage Plan for San Pablo and Wildcat Basins which was submitted to the Planning Commission by the Public Works Department Tuesday night.

The plan called for a separate drainage basin in the area.

The hearing, which the commission emphasizes was not held to consider the construction or financing of sewerage facilities, was for consideration of the plan which would eventually be integrated with the County-wide General Sewerage Plan.

WITH ANOTHER hearing slated for an undisclosed time in the near future, the Public Works Department submitted three proposals which are designed to alleviate the drainage difficulties near the San Pablo Basin.

The plan also included El Sobrante, Giant, North Richmond, San Pablo, Tilden Park, Alvarado Park, Bear Creek, Briones Valley and Sheldon School, a total area of some 48,500 acres.

Proposals called for:

1. A gravity line running from the San Pablo Spillway back to existing lines of the Orinda Crossroads, where a new pumping station has been proposed.

2. A gravity line from Moraga, running along the San Pablo Reservoir, spilling into the San Pablo Dam.

3. PUMPING from the unsewered area in the San Pablo basin to Pinole.

According to Central Contra Costa Sanitary District Board secretary Claude McPhee, however, "Properties already served by sanitary districts would not be affected."

"We're going ahead with our plans for the Orinda area," he stated.

He was referring to expansion and improvement plans for the area made possible by recent passage of an \$8,900,000 sewer bond issue.

DISTRICT MANAGER Gerry Horstkotte Jr. was reported to have expressed approval with the proposed General Plan with the understanding, McPhee emphasized, "that our district would not be affected."

## Long Attendance Record Snapped

An amazing 63 week record of perfect attendance was snapped for the Orinda Rotary Club last Wednesday when, due to hospitalization, one member was absent from the club's noon luncheon meeting at the Willow Inn.

Nevertheless, 43 members and guests were on hand at the meeting to hear Robert Nordquist, a Berkeley taxidermist and charter member of the Orinda Rotary, deliver explanation and demonstration of the art of taxidermy.

At a program arranged by Maynard Buehler, Nordquist used a bird, a fish and a bear's head in informing Rotary members how and animal cadaver is recreated to its natural form.

With Robeson Smith presiding over the meeting in the absence of President Ramsay Underwood, the Rev. Chauncey Blosson delivered the invocation.

## Boys Play With Fire, Set One

Two boys, 8 and 9, were found responsible for a one-acre grass and brush fire which seared oak trees on Camino Don Miguel last Saturday.

William Koch, fire marshal of the district, reported that investigation disclosed that the boys had been playing with matches in the dry field and consequently set off the blaze.

One of the boys, he stated, informed an adult that the grass was burning, and the Orinda Fire Department was called.

The boys were put on one year's probation, Koch said, and with their parent's permission were ordered to report to the fire house once a month for fire safety instruction.

#### TAIL LIGHTS

Automobile tail lights are required to be visible 500 feet, reports the California State Automobile Association. The light which illuminates your license plate must make the plate readable from a distance of 50 feet.

The possible solutions to the drainage problem were submitted to the planners by County Engineering Consultant William J. O'Connell.

## Four More Orinda Areas Granted Phone Rate Cuts

Orinda telephone subscribers in four more areas will find that their phone bills are smaller from here on.

According to Howard C. Greenhalgh, area manager of the Pacific Telephone and Telegraph Company, increased growth of the community has made it possible for the company to put into effect "city" phone rates in the additional vicinities.

Greenhalgh, speaking at a luncheon meeting of the Orinda Chamber of Commerce Tuesday, said the new rate schedule went into effect Monday.

This means that some 600 subscribers will be saved a total of

## Standard's new radiation-resistant lubricants are helping put atomic power to work

During exposure to atomic radiation, some petroleum oils are turned into solids, hard enough to drive a nail, useless as a lubricant

BY 1975 the world will use nearly twice as much energy as it does today—and atomic power will be needed to supply part of the growing demand. Helping develop this new power, Standard research teams have been working with the Atomic Energy Commission on many projects during the past 10 years.

One of our most urgent problems was to find lubricants for atomic machinery able to withstand withering radiation. Using a brand-new base derived from petroleum, Standard scientists developed oils that last two to three times longer than conventional lubricants—and speed the day when commercial atomic power will help drive planes and ships, and generate electricity for your home.

**STANDARD OIL COMPANY OF CALIFORNIA**  
puts petroleum progress to work for you

## It's more than a job—it's a career

Did you know that one out of every five telephone men have been with Pacific Telephone over 20 years? One out of four telephone women have been with us over ten years. Many have been with us much longer. For a telephone job is much more than just a job. It's a career. And as telephone men and women gain valuable experience, they move up to jobs with more responsibility. This gives all of us at Pacific Telephone a sense of accomplishment. And it means that your telephone service is always in the hands of well trained, experienced people. It means better service to you. The men and women of Pacific Telephone work to make your telephone more useful every day.

## They'll be as close as your telephone

Well, they'll soon be packed up and off to school. And then the slam-bang activity that's been going on all summer will slow down. Sure, it'll be peaceful. But it's a good bet, too, that you'll be happy to hear their voices often. So why not plan now to make regular telephone visits with your boy or girl away at school this coming semester. You can tell them to call home collect, too. You'll be surprised to find how long distance rates really are, especially after 6 o'clock on weekdays and all day Sundays.

## Yellow Pages are your guide to services

Ever move into a new neighborhood and start wondering—where's the handiest hardware store, the closest TV repair shop, the nearest plumber? Well, you'll find help fast by turning to the Yellow Pages of your telephone directory. For right there, under the heading you want, you'll find not only that important phone number, but the address of where to shop for what. Use your Yellow Pages. They're your handiest shopping guide. Pacific Telephone.

# Let's Back Orinda Library Fund Drive

The drive for \$125,000 being conducted by the Orinda Library Building Fund, to enable Orinda to obtain a new library building, has received considerable support and is deserving of continued and increasing support.

Although the goal has not yet been attained, we are confident that—especially when the summer vacation period is over—contribution will “perk up” as Orindans more and more appreciate the need for new library quarters.

The present quarters in the basement of the Orinda Community Church have long been inadequate.

Early this summer the field group division of the Orinda Library Building Fund, under the leadership of Mrs. Donald Krotz, collected \$52,000.

The special gifts division, headed by Bruce Howard, and the business district division, headed by Walt Friberg and Bob Gemetti Jr., is also very active.

Despite the public-spirited effort of drive leaders and many volunteer workers, the Orinda Library Building Fund is still short of the \$125,000 goal.

Every financial contribution will bring the day nearer when Orinda can have a library building at the site reserved for that purpose on Orinda Community Center land, at Orinda Highway and Irwin Way. Get in touch with one of the leaders we have mentioned, or with Perc S. Brown, general chairman of the drive—or with any of the hundreds of volunteers. Your contribution will be gratefully accepted.

The spadework by the Orinda Library Board, made up of representatives of various local organizations, and the cooperation of the Orinda Association in making the land available are part of the picture, too.

Let's complete the picture—so that, with the building and equipment being provided by the community, the county can then provide the books and personnel.

## Local Families Welcome Refugees to American Life

Sponsorship by local residents to adjust them, as many other refugees in this area have been adjusted, to American life by helping them to find work and to establish their own homes.

The STEFFANS are staying with the Browns as part of the refugee program of St. Mark's Lutheran Church of Walnut Creek, according to Mrs. Brown. “The church has helped many such people, the latest only a month ago,” was the way she described the church's efforts to assimilate foreign families into the community.

Also having arrived here recently under the State Department's Refugee Relief program are Johann Burmann, his wife Susanne, and children Hildegard, 18, Manfred, 9, and Johann, 21.

The Burmanns, Yugoslavian refugees, are staying temporarily at the home of their sponsors, Mr. and Mrs. David Saenger, 310 Moraga Highway, Orinda.

Both foreign families arrived in New York on August 16 aboard the refugee ship General Langfitt. Their sponsors are attempting

What They Say...

## Is Motoring Ease Near?

The place: A highway in this area.

The time: Recently. Cast of characters: Your roving Reporter and hundreds of other local motorists.

THE SCENE: A muddled mass of motorists creeping along a crowded highway, jockeying for imagined openings, battling each other, stop-lights and slow-downs for construction in their frustrating efforts to get to or from work, and a distraught reporter, not doing too much roving, muttering under his breath.

This little enactment was the result of the highway conditions encountered by nearly everyone who drives a car in this area—a condition which state highway engineers and construction workers are currently rushing to correct.

Their methods of correction? New and better highways and freeways, of course.

EVERYBODY AGREES that the present traffic situation must be alleviated. But the question remains as to how and where the roads should run and whether the present construction work will be sufficient to accommodate an ever-increasing population.

When your reporter finally reached The Sun office, he asked himself how adequate the highway project will be. And then he asked some of the people who should know, his companion motorists.

Mrs. Harold J. Cowdrey Jr., 491 Florence Drive, Lafayette, had no qualms about the highway and freeway development, even though “things are a little awkward now.”

“I THINK it's going to be wonderful,” she said, referring to the construction. A Lafayette resident, she thought that the Lafayette by-pass especially is going to be a big help.

There was some doubt, however, in the mind of James J. Halloran, 59 Hillcrest Drive, Orinda, that adequate preparation was being made.

HE DIDN'T BELIEVE there was “enough highway construction going on for the population increase indicated.”

“The state highway people,” he added, “should be closer in touch with the construction.”

“You take your life in your hands when you go on the roads now,” answered Mrs. Herman N. Stutz, 660 Los Palos Drive, Lafayette, with a note of trepidation in her voice.

“I CERTAINLY HOPE this construction will help,” she said. But she also wondered whether the new roads would be sufficient. One solution, she felt, would be to build separate roads for trucks and other heavy vehicles.

“We must have patience despite inconveniences, for eventually it will mean that our area is infinitely better off with the new roads and freeways,” said Mrs. George Cox of 1967 Helen Road, Pleasant Hill.

The Cox family has lived in Gregory Gardens for three years. “I COMMUTE to Oakland and

## Swim Students Show Aqua Skill At Acalanes

Students of the Red Cross swimming instruction program ended their series of daily classes last Saturday by demonstrating the success of their schooling with a water show and swim meet at the Acalanes High School pool.

Participants in the third Red Cross instruction session took to the water like fish as they splashed and paddled their way through a series of races and aqua games.

WHILE THE SWIM novices rested, they were entertained by more advanced mermen and mermaids, who entertained them with water ballet and diving exhibitions.

The ballet was presented by a group of advanced students from their water safety aid class of the program. Performers included Karen Jeffries, Diane Fontaine, Karen Gardner and Linda Jordan.

Their graceful stunts were followed by a diving demonstration by Bob Hunt.

“MORE THAN 900 youngsters took lessons during the summer,” revealed head instructor Dave Olson. He added that the daily classes averaged more than 30 students.

Olson was assisted during the summer by Carol Creager. Following are the winners of Saturday's races:

Siamese Race — Greg Snyder and Don Dolliver.

Egg and Spoon Race — Marjorie Stanford and Bill Cunningham.

CORK RACE — Carol Baker, Marjorie Hewitt and Richard Hickstein.

Ballroom Race — Linda Winters, Fred Edinborough and Douglas Parker.

Winners in the non-swimmer races were Marilyn Ann Newell, Lynn Larsen and Linda Starkey.

Everyone realizes the importance of proper outlets for youthful energy. Volunteers are in demand who are willing to donate a few hours a week to a youth group whose function is the channeling of this energy into healthful and educational activity.

Group leaders, trainers for group leaders and office workers are needed. For more information regarding this very satisfying type of work, call or come into the Volunteer Bureau of the Walnut Creek Area, 1640 Main Street, Walnut Creek, YE 4-0424.

## Letters to The Editor

HARD WORKER

Dear Editor: I would like to express my thanks to Crist Zito, one of the hardest workers in the West Sherman Acres Improvement Association.

He is the man responsible for the very attractive design of our new entranceway project and one of the most loyal and hardest workers on the project.

His latest contribution to the project was the completion of the lettering on the signs and the installing of them last Saturday morning. He has been my right hand man in this project and I would like him to know how much we all thank him.

LEROEY BECK  
Past President West Sherman Acres Improvement Association

PLATFORM

Dear Editor: I present this platform for the nomination of Leroy Beck as the best and hardest working president West Sherman Acres has ever had.

Beck undertook, where everyone else had failed to plan, finance and construct an entranceway that all of us could be justly proud of.

Beck has the ability to rally his friends and neighbors about him when there is a job to be done.

Now he is undertaking another task no one has ever tried, an Association dance on September 8 and here's one person who is willing to bet it, too, will be a huge success.

TOM SHREVE

WATER

Dear Editor: Thank you for the great help you gave the Citizens Water Committee in the battle against increased water rates.

A “grass roots” action of citizens, even on an issue on which there is virtually complete accord, requires the free press as a communication medium.

Not only did you satisfy this need and further press tradition by giving fine unbiased coverage, but also supplied a great deal of leadership and initiative through editorial aid.

Again, thank you for a community service well performed.

FRANK NARRAHAN  
Citizens Water Committee

## Lives and Works Of Art Masters To Be Discussed

“Picasso and Matisse: Masters of Modern Art” will be the topic of a lecture to be given by Herschel B. Chipp before the Diablo Art Association Monday.

This general meeting will be held at 8 p.m. at the parish hall of St. Paul's Episcopal Church, 1924 Walnut Avenue, Walnut Creek.

Dr. Chipp, assistant professor of art at the University of California, Berkeley, says his subject will be “a comparison of two different ways of looking at the world as seen in the lives and work of the two major figures in twentieth century art.”

“The paintings will be discussed in relation to the personalities of the artists, their cultural and social environment, and the unique contribution of each of them to the development of modern art.”

The lecture will be illustrated with color slides.

## Under The Sun

By Herman Silverman

(Disappointment is a hard thing to face, but unfortunately it must come to all of us. Sun publisher Herman Silverman was still basking in the pleasant breezes of a vacation when this was written, so Walnut Creek editor Dick Osborn can nefariously bludgeon you with his own views again.)

## The beginnings of trouble

What do you do when you find a brown spot in the middle of your lawn? If you are the kind of suburban homeowner that some of us are, you probably disintegrate into a panic and in your haste to clear things up you drink the lawn food while filling your pockets with pellet fertilizer and spraying your tonsils with fish emulsion oil.

Lawns have always appeared in visions as a tremendous expanse of lush green carpet, just long enough to undulate slightly, like a cocktail waitress, when the slightest breeze comes along.

A weed in this type of lawn would be just as much out of place as Paul Butler would have been at the Cow Palace this week.

Seriously, what do you do when the outdoor carpet refuses to behave like it should and starts to look like a garbage can lining that has been discarded?

You can always pick up a good book on lawn care and “do it yourself.” That's when you find out that it doesn't work. This is what happens, and for the sake of family harmony, it could be any wife and any husband:

“Dear, the lawn looks a little brown, don't you think?” (Tired husband, thinking of Saturday basking in sun)

“Oh, it just needs a little water. I'll take care of it this afternoon.”

Same scene, two weeks later: “Dear, the lawn looks pretty brown all over. Is there something wrong with our water?”

## It can be a tough life

(Husband, realizing that things are really going wrong, and that it is time The Man Of The House took over, replies) “Oh, I talked it over with a fellow I met after work the other day, and he says it's lawn moths. I'll spray it, feed it, aerate it, water it and you'll be able to putt on it in no time at all.”

This unfortunately, is where husband has to produce, so he does all these things and relaxes happily in the knowledge that he has Don His Best. Just watch that lawn turn green!

Same scene, two weeks later: “Dear, I think our front lawn is dead. Don't you think we ought to do something about it?”

(Husband, who has done everything he could possibly think of, gets a flash of inspiration) “I'll re-seed it. It'll be just like a new lawn!”

Needless to say, when the re-seeding doesn't take, the most annoying thing that can happen to destroy the happy egomania that dwells inside each man occurs. His wife asks, “Well, what now?”

That's when he does what he should have done in the first place. He picks up his copy of The Sun, calls the nearest nurseryman who KNOWS what happened to his lawn, and goes back to lying in the sun on the patio.

By the way, you should come up and see our lawn sometime. It is really coming up fine. It'll be ready to mow next week.

## Understanding is Key to Peace, Says AFS Student

(Editor's note: The following article was sent to The Sun by my young Orinda student, Smed Ambler, one of the local youths recently sent to France under the American Field Service program.

The 17 year old son of Mr. and Mrs. Louis B. Ambler will spend the remainder of the summer in France and will return to Acalanes High School in the fall.)

By SMED AMBLER

That I am living here in Colmar-Les-Alpes, a small fortified village in the French Alps, is a reality that means a tremendous amount to me.

But the fact that I am seeing these beautiful mountains, so laden with wild flowers, and have visited so many celebrated antiquities these past few weeks is not important.

IT IS THE PEOPLE—all the people with whom I have talked and lived—that are the root of my life here as an American Field Service exchange student.

My impressions and the impressions I am leaving behind me are a tiny niche in the program in which I am partaking. My tiny niche, and that of Alle Shaprio, the other American Field Service student from Orinda in Europe this summer, is helping to mold international peace through understanding, which may some day result in a world where progress is not hindered by the waste of war.

I CAN NEVER forget this large meaning of my wonderful summer in France. Each time

my pitiful French vocabulary encounters someone else's, my subconscious guards my tongue and guides it toward making the best possible impression.

But all the while, I must be myself, for it is I, an American teenager, who is important to the French people, not a picture of a perfect 17-year-old.

To be myself, I must have fun, and there's certainly no lack of opportunity here. First, in Lyon with my first host family, just by expressing an interest in a project of one of their seven children, I would become an essential cog in its completion.

At Marseilles, my life with my second family was a whirlwind of beaches and sightseeing trips. Dances, games and hiking have replaced these activities now that we are vacationing in the Alps.

I TRULY LOVE France and her people. I have seen her faults, but my own beloved America has as many. By living with these people my heart has opened wide enough to swallow them as they are—as humanly wonderful as we Americans.

Thanks to all the people back home whose generous support of our local AFS committee has aided the program's growth.

AFS has enveloped me and has enriched my life. By my words and deeds when I return home I sincerely hope to repay everyone for this chance of a lifetime.

# Preps Will Start Grid Practice Monday

## Don Hopefuls Will Vie for Varsity, JV

The Acalanes Dons, under Coaches Jean Ridley and Bob Stevens, open practice next Monday night when the grid aspirants trot onto the field at 7:30 sharp for their first practice of the 1956 season.

Approximately 40 candidates will be on hand on the varsity squad, which will be cut down to 35 once the game time rolls around.

In addition to the varsity, some 65 players are scheduled to show for spots on the junior varsity, in charge of Jack Carhart, making his debut as a first-year coach.

**THE DON VARSITY** looks to have a good and well experienced eleven, with the problem of reserve strength being the big question mark.

Starting at center the Dons have letterman Art Bachelder back.

One of the league's best guards is back in Jim Dinkel, who might possibly be used at tackle due to his better than 190 pounds of heft.

In the tackle spots a pair of last year's regulars show in John Cadwell and Frank Malynn.

Steve Jordan, a standout at end as a sophomore last year, figures to be top flank man.

**IN THE BACKFIELD** a battle for the quarterback post looks between Rich Markstein, last year's top man, and Louie Marrello, up from the JV's.

In the fullback slot it's Stuart Busby, who played regular last year as a second year man.

Dave Bojarsky has the inside track at left half, moving up from the 1955 junior varsity, where he was a standout.

Harold Ecklund, a two-year varsity veteran, holds the inside track at right half.

A host of other good prospects are on tap to back up and possibly beat out the veterans.

**EARLY WORKOUTS** will clear the picture and give a better alignment of the talent on hand.

The Dons open with a practice game on Friday, September 14, when they host Oakland High's Wildcats under the lights of Acalanes Memorial Field.

The second and last practice tilt prior to the league opener will be played at Martinez on Friday, September 21.

## It's Big Day For Coaches, Players, Fans

Monday will be the big day for prep coaches, players and fans in the Contra Costa grid circuit inasmuch as it will mark the opening day of practice for the fast-approaching 1956 grid season.

The local prep varieties will have two practice and six league games.

Pacific High enters varsity play for the first time, joining Acalanes, Antioch, Mt. Diablo, Pittsburg, Las Lomas and Pleasant Hill.

In the junior varsity play, each club will have but one practice tilt and seven league games, with Miramonte High of Orinda getting in the picture.

An innovation in the league this season is that all junior varsity games will be played as preliminaries to the varsity game, with the opening kickoff taking place at 6:30 p.m.

## Do You Know Traffic Rules For Sailboats?

By AMBROSE P. MACDONALD

While admittedly overdone, much has been said by the "stink-potters" about the way "blow-boaters" handle their craft, and vice versa.

This friendly banter between powerboaters and sailors often has its roots in a lack of understanding of the special rules that apply to sailboats.

Skippers are cautioned by the United States Power Squadrons, nationwide educational boating organization, that different kinds of rules apply to:

1. Motorboats. 2. Sailboats operating under power. 3. Sailboats under sail alone.

**THE PROBLEM** is complicated because even at close distances it is hard to tell if a sailboat is using her auxiliary engine.

A vessel may change course, assuming the other boat to be operating under sail alone. This creates a very dangerous situation since both boats may give way in the same direction, and collide with disastrous results.

When a sailboat is using an engine in addition to sails, the rules say she is a motorboat. A boat under sail alone has the right-of-way over power-driven craft.

Therefore, it is only common sense for the skipper of the sailboat to give prompt whistle signals telling what he intends to do.

With two approaching vessels, both under sail, the one running free must give way to the close-hauled boat. A boat close-hauled on the port tack must give way to one close-hauled on the starboard tack.

**THE MOTORBOAT ACT** of 1940 provides that a boat under power and sail at night shall carry the lights of a sailing vessel.

However, for traffic purposes, she is a motorboat, because her engines are being used. She should not assume the rights of a sailboat regardless of her lights.

This could create an extremely dangerous situation at night. Approaching boats will assume, from the lights, that the other vessel is a sailboat. Again, the auxiliary sailboat must be prompt with the proper whistle signals indicating her true status.

**ROWBOATS** must recognize their ability to maneuver quickly and more easily than motor or sail boats. Rowboats must keep out of the way, especially since it only takes a few strokes of the oars. This rule always applies unless the rowboat is in distress.

Small boats capable of being handled by oars should be equipped with them, even if the usual method of operation is by sail or motor. Such boats must use the oars in order to avoid collision when needed.

More complete information about nautical rules of the road is included in the free Piloting courses of the USPS. For information about classes near you, write to Commander Wm. X. Okker, Oakland Power Squadron, an affiliate of the United States Power Squadrons, 160 Estates Drive, Piedmont, Calif.

## Knights Point to Renewed Success, Build Around Vets

The Las Lomas High gridiron Knights, who were the surprise of the league last year when they wound up with only a single blemish on their season's record, open the 1956 season Monday when a squad of approximately 40 young athletes begin Varsity training and tryouts.

Among the aspirants will be a good number of veterans who should form the nucleus of one of the circuit's better elevens.

**MAJOR STRENGTH** lies in a veteran line from tackle to tackle. The backfield also has enough veteran personnel to form a formidable combination.

Head man Coach George De Klotz, however, might have some difficulty filling the flanker spots.

Mike Edminster, Joe Silva, Bob Karsrud and Russ Nodder, last year's ends, have traveled down the inevitable road of graduation.

In the backfield the biggest problem appears to be speed.

In quarterback Jim Symington the Knights have one of the circuit's better ball handlers. Jim responded to the call with a bang-up job last season and should be even better with a year's experience behind him.

**OTHER VETERAN** ball carriers returning are Duane Brown and Ken Stevens. Brown figures to go at halfback if a suitable fullback is found.

DeKlotz is toying with the idea of shifting his all-county center Webb Johnson to the all-important fullback spot. Stevens rates the inside track at halfback, having lettered last year in the position.

In the tackle slots the Walnut Creek eleven is loaded, with Wally Busch, Tom LaPerle, Bill Stott and Tom Tolan ready for action.

Tolan may go to center if Johnson shifts to the backfield.

**IN THE GUARD** slots Slip Andregren and Herb Foster, regulars last year, are back for another season of play, with John France ready to fill in.

Backing up the vets and plugging for spots on the team is a good number of players up from the Junior Varsity squad, many of whom are expected to offer definite threats to the Varsity regulars.

Practice sessions will be held daily with the opening practice tilt set for Friday, September 14, when the Knights host the San Ramon Wolves.

**THE SECOND** practice game comes on Saturday, September 18, when Las Lomas encounters St. Francis High at the Marin County Field.

DeKlotz and George Davis, the Las Lomas mentors, plan on plenty of experimenting prior to the opening league tilt September 28.

Junior Varsity and freshman players won't report for duty for two more weeks, and all the current efforts at the school will be concentrated on bringing the potent Varsity up to snuff.

## Orinda CC Golf Winners Named

Mrs. Ritchie Smith and Mrs. George Shank won the Class A title in the two-day, 36-hole women's best ball invitational golf tournament which concluded last week at the Orinda Country Club.

**Results:** Class A — Mrs. Ritchie Smith, Mrs. George Shank, 134; Mrs. G. A. Womack, Mrs. William Hartson, 142; Mrs. Peter Patch-Mrs. H. Kussnerow, 143.

**Class B —** Mrs. S. Jensen-Mrs. Tom Sutton, 141; Mrs. George Parker-Mrs. A. F. Gorie, 143; Mrs. E. Stewart-Mrs. Fred Dorward and Mrs. R. Diehl-Mrs. P. Kane, 148.

**Class C —** Mrs. C. N. Johnson-Mrs. William Fox, 139; Mrs. Tom Carlson-Mrs. C. Simmons, 139; Mrs. C. Eastwood-Mrs. W. Barlow, 146; Mrs. R. Green-Mrs. R. T. Brendell, 150.

**Class D —** Mrs. J. Downs-Mrs. R. Miller, 147; Mrs. D. Barr-Mrs. Bailey Justice, 150; Mrs. C. A. Joseph-Mrs. A. Brunkhorst, 151.

**Class E —** Mrs. A. Brooks-Mrs. W. Harsha, 147; Mrs. J. B. Stone-Mrs. G. Baxter, 149; Mrs. E. Bergen-Mrs. Harry Miller, 153.

## Total Vehicles In County Told

Registered in Contra Costa County are 160,568 vehicles, and of that total, 134,095 are automobiles, it was reported this week by the State Department of Motor Vehicles.

A further breakdown reveals that there are 14,874 trucks, 10,696 trailers and 903 motorcycles.

## DH Pressbox 20-30 Club Prep All Stars Vie Tonight on Kezar Grid

By MIKE FARMER

Tonight's the night for the big Eastbay Westbay All Star football fracas at Kezar Stadium. The first crash of the pads at 8:15 will herald the opening of a classic night in the athletic history of a few schools and 66 football players.

This year's contest should attract added interest from Pleasant Hill sports fans, since, for the first time, a local player will be participating. Pleasant Hill High School's star fullback, Jim McMillin, will finally be working in his own element as he goes against the cream of the crop from Westbay tonight.

**THE GAME** will be the climax to "Mac's" outstanding career in high school athletics. From the first day he came to Pleasant Hill, as a sophomore when school opened in 1953, Jim was an integral part of the athletic program at the school.

In 1953 Jim was voted the most valuable player on a green but determined Ram football team. Playing J.V. ball, since Pleasant Hill had no seniors, the team turned in the most impressive football season in the history of the school, winning five, losing three.

The same year, Jim received honorable mention for his efforts in basketball. He also lettered in baseball, batting .255, and track, high jumping 5 feet 7 inches.

As a Junior, Jim was again the standout football player on the team. Along with being voted most valuable by his teammates, he received honorable mention All County. Voted the team's most valuable player in baseball, he went on to place on the second string All County team. Finally, he received a letter in track for his accomplishments in the high and low hurdles and the broad jump.

The 20-30 Club All Star Game will be played at Kezar Stadium in San Francisco tonight at 8:15 p.m. Tickets are on sale at Grodin's in Walnut Creek. All proceeds will go to charity.

## Diamond Chatter ...

## Season Ends, Many Thanks Issued by 'Mel' to All

By MEL ALAMANO

Last week ended the Walnut Creek Recreation Leagues and also Lafayette's.

The Rec. Dept. and Mrs. Ruth Wallis deserve many thanks from the Rec. parents and all who took part in the biggest program to date.

It was a great success and Bob Maxey can breathe again for while. Meetings will begin again in November to draw up next year's plans. In two weeks a winter league meeting will be held and then if things can be worked out a league may be formed.

Only the older boys shall take part as only a few sponsors are lined up.

September 11 the Coast League will have their award night and on September 13 the National League groups.

Hats off to a team who finished next to last but were first sportsmen and always managed to field their team. Van Horn Motors, we mean. Ed Van Horn, sponsor, is a great booster for the kids and all season he was out with his team and ask him if his hand is still swollen catching the fast ones.

Bob Moore of Hendrick Piano who won the Western League after a tough battle from the Lafayette Beauty Shop last week is another gem who really rooted for his kids. All sponsors from the little fellows' teams up through the older boys were great and it is the desire of every one that they attend the award night.

They will be informed by mail of the time and date.

This writer who scribbles this column each week wishes to personally thank The Sun for giving space all year for the results and write ups for the boys' program.

This column may continue on through the winter months and if we run short of announcements and news it will not appear every week. Scores on the games football and basketball for the grammar schools will be reported and anyone who wishes to report anything can reach me at YE 5-1017.

All boys should have their uniforms cleaned and into their managers within a week.

**FINAL STANDINGS** W L Sports & Games Inc. 14 0 Henry J. Kaiser Co. 11 3 City School of Music 8 6 Al Pereira Excav. 8 6 Diabolo Drugs 7 7 Schroder Insurers 7 7 Holiday Kitchens 5 8 Maple Towne 4 10 Van Horn Motors 3 11 Contra Costa Speedway 2 11

**EASTERN LEAGUE** Week's and final scores: 1. Contra Costa Speedway lost to City School 2 to 0. 2. Al Pereira Excav., 8, Van Horn, 5. Rich Scott, H. Stephenson, Rog Guichard, Bill Booth

## Youth Baseball Ends Its Season In Lafayette

The Lafayette Youth Baseball Leagues have concluded a whirlwind, highly successful first season.

Here are the Major League final standings, not including the final game August 15, when Sports and Games met Lafayette Rental but was assured of the top spot regardless of outcome:

**Sports and Games** 8 0 0 Lafayette Furniture 7 2 0 Lafayette Pharmacy 6 3 0 Lafayette Rental 5 3 0 Sun Valley Lumber 5 3 0 Gaston Cleaners 3 4 0 Jacuzzi Hydrotherapy 2 5 1 Kings Food Center 2 6 0 Lincoln Development 1 7 1 Reti-White Motors 1 8 0

As play in the Minor League drew to a close, the Kings Market aggregation was safely aloof and "in" as champion. The only blemish on the Kings' record was a lone tie.

The tie was with Lafayette Rental, which placed third, with the second spot going to Sports and Games.

The final Minor League standings:

**Kings Market** 8 0 1 Sports and Games 6 3 0 Lafayette Rental 5 3 1 Gaston Cleaners 5 4 0 Lafayette Pharmacy 4 5 0 Lincoln Development 4 5 0 Lafayette Furniture 4 5 0 Sun Valley Lumber 3 6 0 Reti-White Motors 3 6 0 Jacuzzi Hydrotherapy 3 6 0

Minor League week before last had the following results:

August 7 — Jacuzzi 4, Reti-White 3. August 8 — Lafayette Rental 11, Sun Valley Lumber 1. August 9 — Kings Market 9, Lafayette Pharmacy 1.

August 10 — Lafayette Furniture 8, Gaston Cleaners 0.

**WINNERS OF EACH** league will be presented with individual trophies by the Lafiasta Merchants Association.

In looking in retrospect over this summer's play, one certainly is that the 175 foot fence at the Major League field proved to be a much more formidable barrier than it was thought to be.

The light bats made long drives difficult, and the small hitting surfaces of the bats were conducive to concentration on hitting accuracy rather than distance.

**SOME BALLS**, of course, did clear the fence, more to the credit of the lads who sent them there.

And so the young local horsehead enthusiasts lay aside their gloves for another year, and look forward to another successful Lafayette Youth League in 1957.

starred for Excav. Ed Van Horn, Mike Dahlgren, Rick Brennan played good ball.

3. Sports & Games, 9, Henry Kaiser, 1. Tom Strain pitched a one-hitter and got 3 hits to pace his team. Jim Wheeler drove in two runs. Bob Gillham played fine shortstop for S&G. Gary Brekke of Kaiser's got their lone hit. George Helmholz played fine ball.

4. Holiday Kitchens, 20, Maple Towne 4. Holiday explodes as Bill Pinkus pitches steady game.

5. Al Pereira Excav., 16, Schroder, 1. Pereira's moved into the 4th place.

6. Henry Kaiser, 16, Diabolo Drugs, 15. Wally Turner homered for Kaiser's. Kaiser were behind 15 to 4 in the last inning and rallied for 11 runs to win. Larry Wilbur was hit by a pitched ball to force winning run in pitch.

**BIRTHDAY DINNER** Ed Wunsch of Geraldine Drive celebrated his birthday with a dinner out for the whole family.

Mr. and Mrs. Wunsch with their children Heidi, Lisa and Larry were joined by Ed's parents, Mr. and Mrs. E. H. Wunsch of Alamo.

# SPOILS

## Sideline Slants Yes, It's Here Again -- That Mad Football Season

By ERWIN MATTSON

**THE MAD FOOTBALL SEASON** is here, as far as the professional teams are concerned, and the high schools and college players start next week.

The college picture, in particular, is a bit cloudy at this point, with everyone in a dither as to which players will be playing when, if at all.

In the preps, coaches and players are chafing at the bit, awaiting the opening practice sessions, which take place next Monday.

The prep coaches all hope that all of last year's eligible players return, and have an eye on the lookout for any possible transfers.

Workouts are bound to be spirited on the opening day, with some slowing down with the passage of time while others will forge to the front.

Football is a great test of character, and a coach comes to know a great deal about his players in a season's play.

Two of the questions of the day are "How will the team be?" and "Who will win the league?"

It's too early to get a real line on clubs, but you can put it down in your little black book that the team to beat is the Pittsburg Pirates, as it has been for the past 20 years.

Pittsburg, under Coach Tony Knap, will have possibly Knap's fastest backfield ever — and they always have a good line.

Knap is one of the best prep mentors in the business, plus the fact that Pittsburg is a football town. They love the game and have terrific desire plus a great tradition. That's hard to beat.

Just mark it down that they are the team to beat if you want to end up on top.

The Las Lomas Knights have a good nucleus of veterans, but Coach George De Klotz has end problems and needs speed, particularly in the backfield.

If they match last year's record of but one league loss, they will have another good year.

The Acalanes Dons have potential and a good, solid first eleven, but not too much depth.

Coach Jean Ridley takes over as head man, with Bob Stevens as his aide.

Breaks and not too many injuries could make them a contender. Depth is the big problem.

Antioch is pretty much an unknown quantity. Graduation hit hard, but they have always had rugged elevens. Probably will start slow and improve with each game.

Mt. Diablo's Devils have lots of candidates, and the problem lies in finding the quality in the quantity.

They have a new head coach in Hart Fairclough, who moved up from an assistant's position.

The largest school in the circuit (over 2000), the Mt. Diablo squad will probably take a while to get going especially with a new man at the helm. Depth will be one of their greatest assets.

The Pleasant Hill Rams haven't won a game in two years, although they have on occasion played far better ball than the record would indicate.

They were hit by graduation, especially with the loss of Jim McMillan, who wound up on the All-County first eleven and was

their top ball carrier the past two seasons.

Pleasant Hill is growing in size, and their gridiron team promises to come into its own, as it has a number of good veterans on hand, plus the chance it will catch several transfers.

Pacific, from West Pittsburg, enters league play for the first time, and, while they can hardly be expected to cut too wide a swath, they will probably upset an appeacart or two along the way.

Last year they beat the Dons' J.V. eleven, which went on to win the championship. They have all hands returning as they had only freshmen, sophomores and juniors last year.

Lack of numbers will not give them much depth, but on the whole the appear to be a pretty rugged crew.

In summing up, pick Pittsburg at the top, with Las Lomas and Acalanes making the strongest bid to upset the Pirates.

Antioch and Diablo appear to be next in line, with an edge to Antioch.

Pleasant Hill and Pacific hardly figure to win, place or show, but either could wind up in fourth spot.

Check me at the end of the season if I am wrong.

## 49ers Prep for 'Skins in Moraga After Brown Win

San Francisco 49er players, who probably surprised themselves as much as the experts in defeating the Cleveland Browns, are back at work at their St. Mary's College training camp.

Head Coach Frank Albert still bothered by a heavy chest cold, credited the 28-17 win over Cleveland to "hustle, spirit and enthusiasm—which are 80 per cent of football."

Albert then warned his men they must show considerable improvement in order to stand off the Washington Redskins at San Francisco next Sunday.

MEMBERS OF THE MERRYWED Club of St. Andrew's Presbyterian Church staged an Hawaiian Luau last Friday night. In on the festivities were Mesdames Miner Cooley, Edward Bogardus, Tom Matthews, and Richard Adams, front row, left to right and rear row left to right, Mrs. Frank Northway, Frank Northway and Richard Adams.—Sun photo by Elizabeth vander Mark

### Dr. Earl M. Butterworth, Mary Ann Bates Wed

Mary Ann Bates, daughter of Mr. and Mrs. Ralph Bates of 1160 Brown Avenue, Lafayette, was married to Dr. Earl M. Butterworth of Vancouver, B. C., in a simple, informal ceremony in the Fireside Room of the Walnut Creek Presbyterian Church August 10.

The ceremony was performed by the Rev. James Upshaw, of the church, who came from his vacation at Lake Tahoe to unite the pair.

Now on a month's honeymoon at Lake Louise and Banff, Canada, the newlyweds will live during the coming school year at Davis, where Dr. Butterworth, a biochemist, is an exchange research worker at the University of California School of Agriculture, at which Miss Bates will be in her junior year.

The bride has been a student at the Davis campus for two years; she majors in chemistry.

### 'Rain or Shine,' Country Club 'Rush' is on Sunday

The newly-formed Moraga Valley Country Club's "Rushing party" will be held Sunday afternoon from 2-6 p.m. at the Carroll Ranch site near Rheem Center.

Postponed from two weeks ago due to unexpected weather, the affair will be held "rain or shine" this Sunday, with arrangements made for an indoor showing of the Indian Summer Fashion review if it should happen to be inclement weather, which is unlikely.

In addition, new routines have been added to the aquacade to be staged by Al Kalunki's renowned Naiads. And, to top this off, some \$500 worth of gold lame, from the Devin & Holly patio shop in Rheem Center will be added attraction.

Mothers and their teen-age daughters will display latest Moraga casual models in fall styles and refreshments will be served.

This party is by way of introducing a new and prospective members to the club, and letting them see what is in store for next year. In addition to the present large swimming pool, two new pools will be built, as well as a new clubhouse, tennis courts and bowling greens.

In this way the club aims to provide sport, relaxation and recreation for every member of the family, with particular attention paid to youngsters from teenagers to toddlers.

Entrance fee for members has been kept at \$100, with a \$10 registration fee. Monthly dues are \$12.50, but do not become effective until the club is actually in operation.

Membership is strictly on a limited basis. All considering joining are invited to attend Sunday's party.

### Suburban Club Barbecue Party To Be Tomorrow

Members and husbands of the Lafayette Suburban Club have received invitations to tomorrow night's fourth annual "bar-b-q" and cocktail party.

Clever invitations, fashioned from brown paper grocery bags, announced the hard-times theme, steak barbecue to take place at the home of the Angus Crockers of Walnut Creek.

This is a much anticipated affair each year, with elaborate entertainment presented by its members under the direction of Mrs. William O. Vickroy.

Members will assemble first at the Robert T. Brownlie home, Walnut Creek, where the pool will be the setting for pre-dinner cocktails.

Helping to make the evening an outstanding one are the following members:

Mrs. Orville Jones, invitations; Mrs. Walter Kennel and Mrs. Charles Kennel, decorations; Mrs. Stuart Smith and Mrs. Robert L. Caldwell, food; Mrs. Robert L. Caldwell, Mrs. Robert Brownlie and Mrs. Irwin Black, barbecue; Mrs. William Banks, clearance.

The Lafayette Suburban Club, new organization of "graduates" of the Lafayette Junior Woman's Club, together with new members, anticipates a lively and interesting club year ahead, under the leadership of its president, Mrs. Ralph D. Young.

### Fair Oaks Club Meets Tuesday

The Fair Oaks Women's Club has planned a meeting for Tuesday at the home of Beth Chism, 187 Agnes Way, at 8 p.m.

The meeting is open to all Fair Oaks women who might be interested in joining. The meeting will be primarily an organizational one, dealing with the election of officers, projects and aims of the club and general plans for the year.

The main object of the organization will be the betterment of the immediate area and the community in general.

### Miss Mowry is Shower Honoree

Miss Margaret Mowry of Soule Avenue, Pleasant Hill, was honoree at a miscellaneous shower held at the home of Mrs. Lloyd Bowen of Oakland last week.

Miss Mowry was presented with many lovely gifts for her pending wedding. Guests included the bride-elect's mother, Mrs. Charles E. Mowry; Mrs. J. C. Turner of Albany the groom-elect's mother; Margaret Bowen, Mrs. Jean Rogers, Miss Susan Turner and Mrs. Don Turner, sister and sister-in-law of the groom-elect; Mrs. Gerry Hamilton and daughter, Helen.

Miss Mowry will become the bride of Richard Turner tonight at the Thousand Oaks Baptist Church in Berkeley with Dr. Kenneth B. Wallace, pastor, officiating at the ritual.

The bride-elect, daughter of Lt. Commander Charles E. Mowry (retired) and Mrs. Mowry of Pleasant Hill, graduated from Berkeley High School, attended the East Contra Costa Junior College, and was a member of the A Cappella Choir at high school. She is presently attending a dental assistant's school in San Francisco.

Her fiancé is the son of Mr. and Mrs. J. C. Turner of 523 Santa Fe Avenue, Berkeley. A graduate of Berkeley High School he majored in business administration at the University of California, and is currently attending the Berkeley Baptist Divinity School, and is associated with the Pleasant Hill Community Baptist Church where he works with youth groups.

The bride-elect will be given in marriage by her father. Matron of honor will be Mrs. Philip Mowry, sister-in-law of the bride-elect. James Turner will serve as best man for his brother, while Philip and Don Turner will serve as ushers.

Soloist for the nuptial exchange will be Mrs. Kenneth Wallace who will sing "Through the Years."

### Pandora Set to Serve Cocktails At 'Paris Cafe'

"Cafe Parisienne" is the name chosen by Pandora Chapter of Children's Home Society to set the theme for the large cocktail party scheduled for the evening of September 8 in Orinda.

The garden of the Gerhart Cooke home on Don Gabriel Way will provide the setting for the party.

A French chef will serve hors d'oeuvres from a brazier on the patio and copper chafing dishes will enhance the buffet table to be used for canapés and snacks.

A musician in costume will wander about playing popular tunes, particularly those with the feel of Paris.

The serving trays and accessories will have French poodles on them and some of the Pandora members will be in costume. A red and white striped canopy will extend partly over the patio to give the atmosphere of a sidewalk cafe.

Initiations are now being sent out to many guests throughout the East Bay and this side of the Tunnel.

Mrs. Glen Smith is general chairman of the party. Committee heads are:

Mrs. John Barchfield, Mrs. Charles Biesel, Mrs. John Banister, Mrs. Robert Hendrickson, Mrs. Ronald Kersh, Mrs. John Sullivan and Mrs. Edward Walsh.

### Job's Daughters Bethel Visited By State Leader

Job's Daughters Bethel 218 held its second meeting of the current term Wednesday night at Veterans Memorial Building, Lafayette. Mrs. Ethel Burnett, deputy general guardian to the State of California Job's Daughters, made her semi-annual visit and inspection at this gathering.

Several new members were initiated at the meeting.

On Thursday a swimming party was held at the home of Prudy Myers, 714 Los Patos Drive, Lafayette. This event was planned as a climax to the members' summer vacations.

### Greys Announce Daughter to Wed

Dr. and Mrs. Gerald Grey of Tenacre Ranch, Walnut Creek, this week announced that their daughter, Miss Celia Gray, will be married to Don Clark Cummings on Monday, September 10.

The 11 a.m. nuptial vows will be exchanged in St. Ann's Catholic Church at Palo Alto, with members of the families only to be present at the reading of the ritual, and the couple will be unattended.

The bride-elect is attending Stanford University, and will resume her studies in the fall.

Her fiancé, son of Mrs. Donald Eddy Cummings of Yarnell, Arizona, and the late Dr. Cummings, is an assistant teaching fellow in the School of Geology at Stanford University and will resume his teaching there this fall.

## Sun Society Exemplar Chapter, Betas Tells Officers, Chairmen

The Exemplar Chapter of the Beta Sigma Phi, Xi Delta Tau officers for the forthcoming year were elected recently.

The officers are: President, Mrs. Robert Hamilton, Valley View Drive; vice-president, Mrs. Norman Davidson, Hawthorne, Lafayette; recording secretary, Mrs. Wilbur Scholes, Poplar Drive, Walnut Creek.

Corresponding secretary, Mrs. Gene Pleau, Hubbard Drive, Pleasant Hill, extension office; Mrs. Robert Caldwell, Warner Court.

Committees for the following year are: Parliamentarian, Mrs. Earl Melone; membership and properties, Mrs. Norman Davidson; program and service, Mrs. Frank Jolly; ways and means, Mrs. Robert Ashe, Mrs. Robert Caldwell, Mrs. Norman Davidson and Mrs. Gene Pleau and Mrs. Opal Townsend.

Social, Mrs. Earl Melone, chairmen, Mrs. Richard Blackburn, Mrs. Frank Jolly and Mrs. Wilbur Scholes.

Delegates to the Northern California Area Council are Mrs. Opal Townsend; to Concord Area Council, Mrs. Robert Ashe, Mrs. Earl Melone and the alternate Mrs. Opal Townsend.

August 13 the ways and means committee met at the home of its chairman Mrs. Robert Ashe, 28 Celia Drive, Pleasant Hill. During the evening the calendar for the coming year was made. Following are the ways and means projects.

September 15—Rummage Sale, from 9 to 4 at the Pacific Gas and Electric Building in Walnut Creek. The benefit proceeds to be designated at a later date.

November—No date set as yet—"Hard Times Dance." All proceeds given to Juvenile Hall in Martinez.

April—Bridge luncheon with the possibilities of a child fashion show. The Women's Club in Walnut Creek is the place of luncheon. The benefits will be given to the International Endowment fund.

The Social committee met August 14 at the home of Mrs. Wilbur Scholes on Poplar Drive in Walnut Creek. Chairman Mrs. Earl Melone conducted during the meeting. The social calendar for the fourth coming year is as follows:

October 27—Goblin Hunt for husbands and wives. The group will meet, return and have an Italian Buffet at the home of Mr. and Mrs. Frank Jolly, 790 Cumberland Drive.

November 15—Concord Area Council, five chapters combined Ritual.

December 18—Progressive Dinner—members only. Theme "Christmas in Many Lands."

January—open date—theatre party for members only.

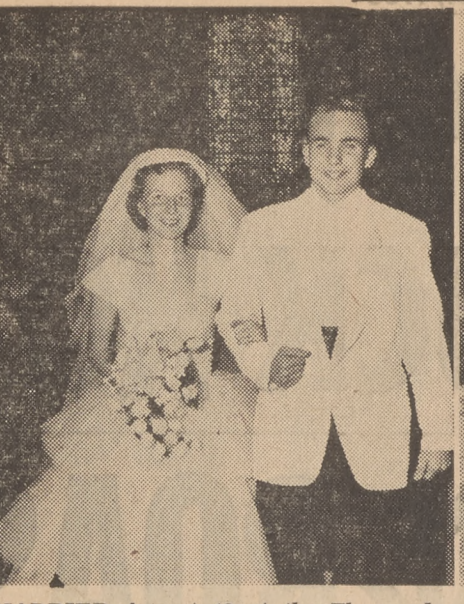

February 16—Husbands and wives inclusive. "Sweetheart Dance." Theme will be "First Date."

March 30—Concord Area Council dance inclusive of all chapters.

April 30—Founder's Day.

May 14—Installation of new officers.

June—no date set—reveling of secret sisters party. Husbands included. Event will be held at the home of Mrs. Richard Blackburn, 107 North Pleasant Hill Road, Pleasant Hill.

MARRIED August 12 at the Thousand Oaks Baptist Church, Berkeley, were Beverly Frances Fibush and Fred J. Joyce III. The bride is the daughter of Mr. and Mrs. Donald H. Fibush of Springhill Road, Lafayette. The groom is the son of Mr. and Mrs. Fred J. Joyce Jr. of Berkeley. — Ted Gurney photo

NEWLYWEDS are Ensign and Mrs. Gerard McAvonia, who were married August 12. The bride is the former Mary Ruth Fritz, daughter of Major Gen. Shopping, Miss Ann Lombardo and Master John Turver.

### Mary Fritz is Lafayette Women Plan Married in 'Forecasts for Fall'

The Lafayette Women's Club is holding a fashion show September 4 at 1:30 p.m. at the home of Mrs. Gilbert Myers, 714 Los Patos Drive, Lafayette.

This event, "Forecasts for Fall," will be the first meeting of the season for members and their guests. Music will provide a gay atmosphere around the swimming pool while the models show the newest fashions from leading Lafayette stores.

MRS. ALBERT ALEXANDER, chairman for the day, and Mrs. Raymond Ouer, coordinator, will have the help of Mrs. T. J. Clark and Mrs. Dorothy Begley.

Modeling for Claudy's will be Mesdames S. DeAngelis and Jack Campbell; the Emporium, Mesdames John G. Stephens, Charles Morrill; Fiesta Fashions, Mesdames Matthew Jellett and Vincent Lombardo; Lad n Lass Toggery, Nancy Turver, Susan Frangely, Katherine Thadenburger and novels.

Dr. William V. Morgan wed the young couple.

Mary was attended by her sister-in-law, Mrs. J. A. Fritz (Linda Childs) of Monterey, who served her as matron of honor. Also in the bride's entourage was her sister, the junior bridesmaid, Susan Ann Fritz.

As she repeated the nuptial vows, Mary was dressed in a white silk Dupioni, a floor-length gown with full skirt, fitted bodice and long sleeves. Inserts of lace adorned the neckline and skirt.

Her illusion veil was fingertip length and was held with a Dupioni half hat trimmed with tulle swags and pearls. In her hand was a prayer book with carnations and streamers tied with lilies of the valley.

Mrs. Fritz wore brocade satin sheath with ivory background. Her corsage was of white carnations.

The bride, who attended Edgewood Park Junior College in Bricariff Manor, N.Y., left with her husband, a graduate of the Marine Academy, for Pensacola, Fla., on their honeymoon.

Ensign McAvonia reports Sunday for Navy flight training at Pensacola.

### Crestview Jrs. Picnic Set For Tomorrow

The Crest View Junior Woman's Club of Pleasant Hill has its first husband and wife social with the date set for tomorrow. A pot luck picnic is planned for 8 p.m. at the Carroll Ranch in Moraga.

Social chairman Mrs. William Schrank insures everyone of an evening of fun swimming and dancing after dinner. As a special event, Mrs. Jack Corder, state conservation chairman, a member of the Crest View Juniors, has arranged for a special conservation film.

Virgil McNabb, Richfield Oil Corporation representative, will present a 30 minute sound film

### DAR to Open Year With Meet

Activities of the Acañanes Chapter of the Daughters of the American Revolution will be resumed Monday as the chapter meets for the first time this year.

The meeting will be held at the home of the Elliott Johnson, 2418 St. Mary's Road, Lafayette. Following the business meeting, Mrs. Johnson will be hostess at a tea which will honor new club members.

Refreshment chairman, Mrs. Alvin Chellew has arranged for a tasty menu for the evening meal.

Reservations for \$1.75 per couple may be made by club members by contacting Mrs. G. R. Hixson.

TOMORROW IS THE DATE of the Crest View Junior Woman's Club first husband and wife picnic. Making preparations for the gala affair to be staged at the Carroll Ranch in Moraga are Mesdames Alvin Chellew, Edward Le Sage and H. E. Knowlton. — Sun photo by Elizabeth vander Mark

### Guild Plans Club Social

The Castlewood Country Club will be the setting for a gala charity affair planned by the Sisters of Social Service Guild on September 14.

The Guild was formed about two years ago in the East Bay area to aid the Sisters of Social Service who are engaged in social welfare projects. The opening of a branch of the Guild for Contra Costa County women will be announced within the next few months.

This fashion show and luncheon will also serve as a get-together for prospective members.

Mrs. Alfred E. Hughes, general chairman of the affair has announced that three guest artists will appear on the program.

Robert Thane of the Grace Maginnis Shop will present his original custom designed wardrobe.

Lizette of the Palace Hotel will model 12 of her hand knit creations, while John Wheatman, home fashion consultant of Jackson's, will show decorators' fabrics and speak on the basics of home furnishings and new trends.

Luncheon will be served at noon, the promenade of fashions to begin promptly thereafter.

Reservations may be obtained by calling Mrs. Alan Metheny at TW 3-4542.

Planning to attend the party is a group of Contra Costa matrons from Walnut Creek, Lafayette, and Orinda.

Included are the mesdames Tony Lucas, Roger Guichard, Sherman Sibley, John C. Epper, Fred Karlstrud, Marie Maser, Arthur Johnson, Ray Williams, and Louis Sekete.

### Judith Campbell Ken Andersons Weds S. D. Smith Return From Honeymoon

Mr. and Mrs. Frank Aiman of Walnut Creek announced that their daughter, Miss Judith Stuart Campbell, had become the bride of Shannon David Smith of Chico last month at St. John's Episcopal Church in Chico.

The bride wore her paternal grandmother's gown of ivory silk applique with white cotton flowers. The gown featured a tucked bodice with the high neckline of the early 1900's, full long sleeves and a gored skirt and a slight train. She wore a velvet crown minus a veil, and carried a white prayer book and was escorted to the altar by her stepfather, Frank Aiman.

Mrs. Alfred Blaker of Berkeley, the bride-elect's step-sister, served as her matron of honor. Mrs. Blaker wore a pink silk evening dress, and a corsage of white gladioli.

The bride's mother, Mrs. Aiman, wore a pink and gray cotton flowered print, the bridegroom's mother, Mrs. Smith, wore a silk flowered print in shades of yellow and orange, with which she wore a yellow duster.

Marvin Miner of Yuba City served as best man and usher duty was assigned to Floyd Miller of Chico and Bob Ewertson of Yuba City.

The bride-elect's father is Donald Stuart Campbell of Oakland. The groom is the son of Mr. and Mrs. Richard C. Smith of Chico. The newlyweds are both attending Chico State College as sophomores students.

A reception followed the wedding ceremony in the parish hall at St. John's.

Following a honeymoon trip, the young couple will reside in Chico and resume their studies at Chico State College in the fall.

### Pool Party to Aid Hospital

Mrs. Michaela Ferrons, 294 Glorieta Boulevard, Orinda, Chairman of Cottonwood Branch, Children's Hospital of the East Bay, is loaning her home and swimming pool for a branch party August 31. The occasion will be a salad-bar luncheon and swimming party for members of the branch and their friends.

Crisp, cool summer salads will be the bill of fare at the 12:30 luncheon, and after the meal guests will enjoy a refreshing dip in the pool.

Mrs. Donald Vance, publicity chairman for Cottonwood, reports that "this event was a thoroughly enjoyable one. Last year and members are making even more of an effort to top last year's success, for the purpose of aiding the hospital's charitable program."

In addition to her duties as branch chairman and hostess, Mrs. Ferrone is serving as chairman of the party with assistance from Mrs. Norman Smith, Mrs. Robert Singer and Mrs. Robert Wilson.

### Clarence Roens Hold Open House For Daughter

A wedding open house was held Sunday at the home of Mr. and Mrs. Clarence Roen, 140 Bolla Avenue, Alamo, for their daughter, the former Christine Roen, and their son-in-law, Bruce Sinclair.

The couple was married July 29 at All Saints Episcopal Church in Carmel. They will leave September 4, for Las Vegas, New Mexico, where Bruce will be a teaching assistant in history at New Mexico Highlands University.

He is working for his master's degree while Christine will continue on her bachelor's degree. Christine completed her freshman year at the University of California while Bruce received his bachelor's degree.

Nearly 90 friends and relatives attended the open house.

### Best Wishes, New Neighbors!

youngland dresses are for little girls

I've got a crush on Youngland . . . especially this new one which has my favorite jumper look. It's a one piece dress in washable Dan River Wrinkl-Shed plaid with solid color sleeves and button tab, and frosty white cuffs and collar. (Boys like it too) In red or blue plaid. Sizes 3 to 6x, \$4.98; 7 to 12, \$5.98

**UPHOLSTERY** classes of the Alcanes Adult Center held open house last night at the Kustom Studio, 3419 Golden Gate Way, Lafayette. Upholstery techniques were demonstrated, as in this activity by instructor Frank Povich (right) and Mrs. Dorothy Thom (left) while Art Dambacher, Alcanes Adult Center director, sits somewhat gingerly in the armchair. Completed work of many students was on display. Signups were received for the fall classes in upholstery. — Sun photo by Mattson

The Listing Post...

Of Horses, Buildings And Title Insurance...

By BILL HAYWARD

**HEATHER AND THEATHER**  
Unit No. 1 of the former Marchbank property to be known as Heather Farms as a subdivision title is ready for study. Engineers on the project, Wilsey and Ham of Lafayette, have now all of the necessary information ready for approval by Flood Control, Sanitary District, City Fathers and all of the other agencies needed to approve such projects.

The developers have certainly captured a clever angle in the street names of this newly planned neighborhood. As most of you know this property was owned by Marchbank, horseracing enthusiast and former owner of Tanforan Race Track. ... How would you like to live on Jamaica Drive — or someone might say "What's good in the 8th at Saratoga," your answer would be "the Smiths live there."

Some other streets will be named Del Mar, Caliente and Suffolk, not to forget Tanforan. Unit No. 2 no doubt will include Pimlico, Golden Gate, Santa Anita and Bay Meadows. Place your bets early, Heather Farms should be tops in its class.

Unit No. 1 will have 261 lots of slightly less than one-quarter acre each, more sensible planning for lot sizes.

**TITLE INSURANCE INFORMATION**  
As of July 16, 1956, title insurance rates in Contra Costa County have gone up approximately \$3 on a \$10,000 policy. This rate increase was effected by the local association of title companies to bring the Contra Costa County rates in a more competitive line with general rates throughout northern California.

**ORINDA ACTIVITIES**  
Warford Mesa, the hillside development all the commuters watch each day is moving along nicely toward completion. The general feeling among the industry now applauds the Muth Company, developers of the tract, for doing a fine job in this area. ... Also asked for construction and connection to sewers are 12 more lots in Tarabrook Extension. This subdivision is also near the Crossroads.

**LAFAYETTE DEVELOPMENTS**  
The Utah Construction Company recently received approval for two groups of lots south of Glenside, a 24 lot subdivision with an additional 14 lots in an adjacent tract, all set for starting of construction and connection to sewers. ... We see a more receptive feeling from the board of directors at the Central Sanitary District since the passage of the bond issue for enlargement on their sanitary facilities.

**BUILDING SITES**  
Still a scarce item on today's market ... good building lots, especially where all utilities are available, is probably the realtors' dilemma at today's development costs.

**EAST OF DANVILLE**  
Harold Smith developed 18 very attractive lots on the west side of La Gonda Way where Contractor Bob Burgess is building several appealing homes. We are told that a few lots are available at this location where homes will be built on the contract basis.

**EAST CONTRA COSTA JUNIOR COLLEGE**  
The Contra Costa Real Estate Board in cooperation with the Junior College will soon institute a "within the industry training program" to start early in September. This is another FIRST for your local realtors. More about the program later.

**QUESTIONS THAT POP UP IN EVERYDAY LIVING**  
Should I Buy a House? Well, prices will never be any lower than they are today. The purchase of any land in Contra Costa County, or any place else for that matter, including commercial real estate, especially family residences is still one of the best hedges against inflation.

**kill ants with GRANT'S**

Big Town Folly(s)

by Mike Gray & Bob Moore

Nearly Everyone Reads The Sun...

GOT ROCKS — GOT ROCKS — GOT ROCKS — GOT ROCKS

**Stork Club...**

**BEAUDET**—A second son, Paul Edward, was welcomed into the home of Mr. and Mrs. Thomas Beaudet, 3328 Mildred Lane, Lafayette, recently. Paul weighed 5 pounds 10 ounces when born at the Merritt Hospital. The Beaudets' first son, Steven, is 2.

**BULLWINKLE** — John Edawrd was the 7 pound 13 ounce new arrival at the home of Mr. and Mrs. Edward Bullwinkle, 123 Van Ripper Lane, Orinda, recently. His brothers, Paul, 4, and Mark, 3, were on hand to welcome him.

**ABRAMSON** — Mr. and Mrs. Robert Abramson, 668 Doreen Way, Lafayette, recently became the parents of their second child, Julie Rae, who weighed 8 pounds 6 ounces at birth. The baby's grandmother, Mrs. Selma Abramson, resides in San Francisco.

**MCINTYRE**—Their second child in 14 months was born to Mr. and Mrs. Leo McIntyre, 887 Birdhaven Court, Lafayette. The new-comer's name is Jeffrey Alan, and he weighed 7 pounds 9 ounces. His young brother is Michael.

**DECKER** — A daughter, Priscilla Loomis, was born to Cmdr. and Mrs. Stiles Decker Jr., 963 Hawthorne Drive, Lafayette. She weighed 8 pounds 6 ounces and was welcomed into the family by brother Randy, 20, Peter 14, and John, 9, and sister Pamela, 12.

**HUFFT** — Mr. and Mrs. Russell Hufft, 679 Los Palos Drive, Lafayette, are the proud parents of a third son, Russell II, born August 14 at Samuel Merritt Hospital in Oakland. The baby will be called "Rusty." His brothers and sister are Ronald 13; Steven 10, and Carolyn, 5. Mrs. Lucille Hufft of Walnut Creek and George Geary of Oakland are the grandparents.

**Christian Science**  
The healing power of divine Love will be set forth at services Sunday in the Lesson-Sermon entitled "Christ Jesus" at Churches of Christ, Scientist, 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek.

Selections read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (243:4): "The divine Love, which made harmless the poisonous viper, which delivered men from the boiling oil, from the fiery furnace, from the jaws of the lion, can heal the sick in every age and triumph over sin and death."

**Railroad Ties 175 each**  
**OPEN SUNDAYS 9 to 12**  
**Got Rocks Gordon**

Big Bay Transit District Board Is Proposed

In order to win general public support for the proposed nine-county Bay Area Rapid Transit District, full representation of the entire area must be assured by the creation of an 18-member board, the Alameda County Mayors Conference has proposed. In a meeting of the group, San Leandro City Manager Wesley McClure said that board members should be appointed by mayors and supervisors in each county, and that the proposed district would fail if it were organized on an autonomous basis. He also suggested that a rapid transit agency be created, with members appointed by each city within the nine counties, and one member by each county board of supervisors. "This will assure political responsibility," he said. The conference has also voted to invite the five Alameda County members of the Rapid Transit Commission to a meeting on September 7. This will be a week before the commission submits a final rapid transit proposal to a legislative committee.

**Complete Service at Jan's Jewelry**  
• RING DESIGNING  
• REMOUNTING  
• JEWELRY REPAIRING  
• APPRAISALS  
• LOOSE DIAMONDS  
We Buy Old Gold, Clocks and Diamonds

**OUR POLICY:**  
We take pride in the fact that we are the oldest established jewelry store in Walnut Creek and that we have never resorted to gimmicks or high pressure in order to sell diamonds. We know the diamond business and can honestly state that our prices are the lowest in the Bay Area. We invite comparison and suggest you drop in when you are shopping for any diamond jewelry.

**THANK YOU For the Tremendous Reception**  
We offer NO GIMMICKS  
WE ARE prepared to present your dog — POODLE (toy, miniature, or standard) or any other breed to the best of our ability.

Modern Art to Be Talk Topic Of Art Group

"Picasso and Matisse: Masters of Modern Art" will be the topic of a lecture to be given by Herschel B. Chipp before the Diablo Art Association at 8 p.m. Monday at the Parish Hall of St. Paul's Episcopal Church, 1924 Walnut Ave., Walnut Creek.

Herschel B. Chipp, assistant professor of art at the University of California, says his subject will be "a comparison of two different ways of looking at the world as seen in the lives and work of the two major figures in twentieth century art."

"The paintings will be discussed in relation to the personalities of the artists, their cultural and social environment, and the unique contribution of each of them to the development of modern art."
